CLEANING UP SPILLS SINCE 1985

1985 CENTRAL PENNSYLVANIA

New Pig is a US-based company that got its start in the Central Pennsylvania town of Tipton. Our company headquarters and manufacturing facilities are there to this day.

1993 EUROPEAN EXPANSION

In 1993, New Pig established its first European presence with an office and distribution facility in Glasgow, Scotland, serving the whole of the UK.

2006 WORLDWIDE PRESENCE

By 2006, we expanded our reach to over 70 countries! More than 300,000 industrial, commercial, retail and healthcare facilities worldwide are choosing PIG to solve their leak and spill problems.

2022 NEW EUROPEAN FACILITY

In 2022, we opened a new European facility in the Netherlands, Gilze (shown above), to better serve customers throughout Europe.

TODAY

Last year, we hit our 30-year milestone helping you keep your workplace clean and safe. Times may have changed, but our mission remains the same: keep on developing products to keep your premises and the environment cleaner, safer, better.

THE POWER OF PIG

As you browse through this catalogue, you'll notice a wide variety of the brand customers worldwide know and trust — PIG! Whether you're looking for our high-quality absorbents or prefer our economy PIG Essentials product line, there's a New Pig product for every need. Nobody beats the quality, engineering and performance of PIG.

✓ Market Leaders

New Pig has been recognised as the world's leading manufacturer of leak and spill products since 1985. You can be sure you will get high-quality products that are workplace-proven.

✓ Trusted Experts

We've developed years of knowledge and expertise working with industries to help them make their workplaces cleaner, safer, and better. We are experts in providing the best solutions for our customers' leak and spill needs.

✓ Full-Service Providers

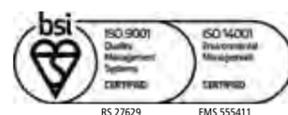

Our comprehensive product range is just one of the reasons why industries across Europe look to us as a trusted supplier. New Pig has the answers to all your leak and spill needs.

✓ Innovators

We've piled up dozens of product awards over the years, but our real measure of success comes from solving your problems. Our product developers take customer feedback into our "Absorbatory" and proceed to leak and spill, catch and contain, build and demolish until we create the perfect solutions for you.

✓ ISO 9001 and ISO 14001 Certified

We are committed to quality and continuous improvement! You can count on New Pig for exemplary service and environmental commitment.

New Products

New and improved ways to keep your facility cleaner, safer and better.

PIG® Large Spill Caddy Protection Cover

COLOUR	ITEM #
Yellow	PAK880

Includes five PIG Water Mats for leaks that may have reached the floor.

Kit includes your choice of hanging straps or magnets.

Magnets in each corner allow diverter to hold up to 22.7 kg.

Specify Colour

PIG Magnetic Roof Leak Diverter Tarp

Quickly respond to metal roof and ceiling leaks.

Sewn-in magnets allow for easy, fast deployment anywhere that metal is present. Magnets provide a strong hold in areas where traditional leak diverter tarps with hanging straps may be difficult to hang. Heavy-duty vinyl-coated tarp resists punctures, UV and mildew and lasts multiple deployments. Diverter tarp can hold up to 23L using magnets alone — grommets along the sides provide extra support from hanging traps in high-flow situations. Required hose and optional straps and collection container sold separately. See page 102.

PIG® Magnetic Roof Leak Diverter Tarp

SIZE	COLOURS	ITEM #
51cm W x 51cm L	Black, White or Yellow	TLS1998
152cm W x 152cm L	Black, White or Yellow	TLS1999

NOTE: Not suitable for temperatures over 170°F/77°C. Dimensions are nominal size due to pinched corners and reinforced side walls.

PIG Quick Response Roof Leak Diverter Tarp Kit

Choose between magnets or straps for fast, easy hanging.

This all-in-one kit comes in a clear, compact drawstring bag that's easy to identify for quick response to leaks. Comes with 5 reusable PIG Water Absorbents Mats that absorb nearly a litre of water. Heavy-duty, vinyl-coated leak diverter resists punctures, UV and mildew. Choose between hanging straps or magnets when ordering.

PIG® Quick Response Roof Leak Diverter Tarp Kit

SIZE	SPECIFY STYLE	ITEM #
76cm W x 76cm L	Hanging Straps or Magnets	TLS1120

Contents: 1 Leak Diverter, 1 Drainage hose, 4 Adjustable Hanging Straps or 4 Magnetic Hanging Clips, 1 Quick Connect Set, 5 Mat Pads, Clear Drawstring Bag

NOTE: Not suitable for temperatures over 170°F/77°C. Dimensions are nominal size due to pinched corners and reinforced side walls.

Diverter collapses to 1.2m...

...and can easily extend up to 2.7m.

PIG High Reach Roof Leak Diverter Tarp Kit

The solution for when you can't hang a diverter from the ceiling.

Quickly route small leaks from high ceilings in hard to reach areas. Diverter captures drips from ceilings up to 4.5m high without risk of splash-out. Adjustable telescoping pole allows easy installation without the need for a ladder. Included pail has a removable plug to allow the drainage hose to be inserted without removing the lid.

Kit includes leak diverter tarp, collection pail, telescoping pole, drainage hose, and all the tools you'll need to assemble it.

PIG® High Reach Roof Leak Diverter Tarp Kit

SIZE	ITEM #
69cm W x 89cm L, Telescopes up to 2.74m H	TLS820

Contents: 1 Leak Diverter, 1 Drainage hose, 1 Telescoping Pole, 1 Bucket, 1 Mat Pad

NOTE: Not suitable for temperatures over 170°F/77°C.

PAK1291

PIG Collapsible Utility Tray

Folds for compact storage but deploys instantly.

Collapsible trays require less storage space, so it's easy to keep them handy wherever you need to catch leaks and drips. Easy-to-clean PVC trays are perfect for small liquid transfers, maintenance, fluid changing areas, and engine part degreasing and cleaning.

WTR046

PIG Water-Activated Flood Bag & Barrier

Dam and divert water for quick protection.

Sandbag alternatives are lightweight, compact and easy to handle prior to activation. They swell on contact with water to form a solid, heavy barrier. Flood Bags can be stacked up to three rows high; Flood Barriers are longer than Bags and designed to stop water in front of entrances, garages and dock doors.

Non-activated bags are easy to handle.

Activated bags swell up to 8.7kg each.

Saltwater Note: Not suitable for salt water flooding.

DON'T SETTLE FOR LESS.

CLAY IS HEAVY

- Bulky and hard to carry**
1 bag weighs up to 20kg
- Messy and time consuming to clean**
Clumpy, wet clay must be swept and shoveled into waste containers, wasting precious productivity
- Expensive**
Absorbs only 1x its own weight, plus the heavy, bulky waste costs 10x more for disposal
- Dusty**
Breathing clay dust poses health hazards
- Potentially damaging to floors**
Rough granules can damage expensive coated industrial floors, get stuck in machinery

RENTAL RAGS ARE DIRTY

- Can be contaminated with metal**
Heavy metal and metal chips can get transfer onto hands and into eyes or mouths
- Not environmentally friendly**
Require aggressive laundry detergents for cleaning
- Trip and fall hazards**
Thick rag material blocks the wheels on equipment and creates tripping hazards
- Expensive**
High replacement costs when rags are damaged, lost or thrown away

GRANULES ARE MESSY

- Inefficient**
Requires lots of effort and labour to use
- Wasted product**
You typically pour more than you really need
- Tracks through your facility**
Sticks to shoes, machines, products and the floor, creating more to clean
- Can only be used once a spill has occurred**
Not suitable for preventive use

CHOOSE THE BEST!

PIG MAT IS THE SUPERIOR SOLUTION

When you're dealing with leaks and spills, you want fast, effective response. You want PIG Mat! While other spill response options create even more problems for your workers (see Clay, Rental Rugs and Loose at left), PIG Mat handles spills quickly and efficiently.

IT'S LIGHT

- Lightweight and easy to manage**
No sweeping or heavy shoveling necessary!
- Efficient and Inexpensive**
Absorbs up to 10X times its own weight— save money by using less product and paying less in disposal costs
- Dust-free**
Leaves no dust or dangerous fine particles in the air
- Safe on floors**
Nonabrasive; doesn't harm finished floors or damage expensive machinery

IT'S CLEAN

- 100% Polypropylene**
Material is safe to handle and won't rip, tear or fray, even when saturated
- Thin mat is super absorbent**
Performs best when lying flat thanks to superior wicking properties throughout the mat

IT'S NEAT

- Simple to use**
Lies flat and absorbs spilled liquids for you; simply pick up and throw away when fully saturated
- Use only what you need**
Easy-tear perforations let you take only what you need, so you use less mat and save money
- Good for preventive use**
Can be placed in areas with high spill and leak potential to be prepared before a spill occurs

PIG Absorbents work as hard as you do. That's why they're #1!

Our absorbents deliver the performance and hardworking features you just won't find anywhere else!

- The **widest selection of absorbent products** in Universal, Oil-Only and HazMat versions
- Since 1985, we've produced top quality products that are **proven and trusted worldwide**
- Absorbents **made to work where you work** — in the factory, on the jobsite or in remote areas
- Our experts never stop inventing new solutions to help you **work cleaner, safer and better**

World's #1 Absorbent Brand

Mats, Socks, Pillows and Pans for a wide range of liquids and jobs.

Universal Absorbents

Absorb oils, coolants, solvents and water.

See pages 7-31, 50-53, 60-62

Oil-Only Absorbents

Absorb fuels and oil-based liquids, but not water.

See pages 32-49, 54-58, 61-62

HazMat Absorbents

Absorb most acids, caustics and unknown fluids.

See pages 63-68

PIG Universal Mat absorbs anything and works everywhere.

- **Lasts 2x longer**
Tougher than ordinary mats for fewer changeouts.
- **Strong layered construction**
Won't rip, tear or shred, even if soaked.
- **Highly absorbent**
Fine-fibre construction retains liquids.
- **Exclusive dimple pattern**
Quickly wicks liquid for faster, easier clean-up.
- **Easy-tear perforations**
Use only what you need, reduce waste.

SUPERIOR TECHNOLOGY INSIDE AND OUT

Multiple layers of 100% polypropylene make PIG Universal Mat the toughest on the market.

Universal Mat

For oils, coolants, solvents & water

Grime-hiding grey PIG Mat **controls leaks, drips and spills** to help keep floors safer.

Wear Resistance: Low Durability, Medium Durability, High Durability, Super Durability

Absorbency Options: LOW, MEDIUM, HIGH, SUPER

Made of: **100% Polypropylene** **25%+ Recycled Content**

How much liquid do you need to absorb?

HIGH VOLUME

Heavyweight mat absorbs more liquid per pad for high-volume leaks and large spills.

MEDIUM VOLUME

Mediumweight mat offers mid-range absorbency for everyday maintenance and common jobs.

LOW VOLUME

Lightweight mat is perfect for cleaning up smaller spills.

PIG Universal Mat Pads and Rolls are found on pages 8-13.

PIG Universal Heavyweight Mat

For big leaks and spills.

Heavyweight PIG Mat Pads and Rolls deliver greater durability and absorbency for demanding tasks and large-volume clean-ups.

HOW IT'S MADE

Two outer layers of fine fibre polypropylene around a high-loft melt blown centre.

INTRODUCING PIG ESSENTIALS MATS!

PIG Essentials Pro Mat

Good mat strength and durability for demanding work areas.

PIG Essentials Plus Mat

Fast-absorbing mat can handle large volumes of liquids.

PIG Essentials Mat

For quick use-and-toss spill cleanup.

PIG Essentials Plus Mat: Affordable choice for light foot traffic.

- Economical and fast-absorbing
Great for handling large volumes of liquid.
- Absorbs and retains
Oils, coolants, solvents and water.
- Construction
Spunbond meltblown.

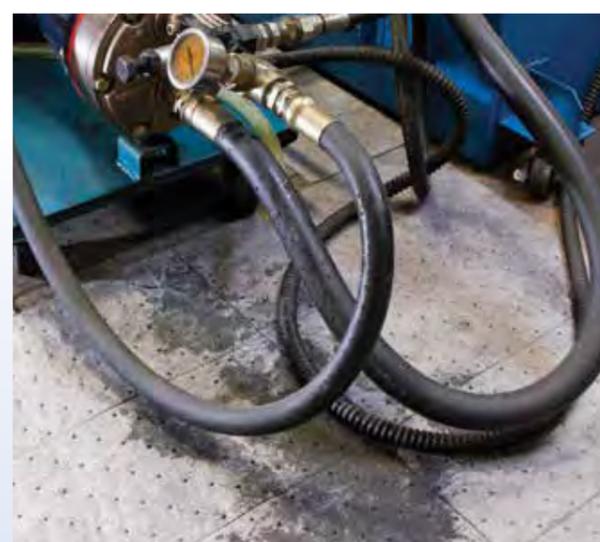

Essentials Plus Mat For oils, coolants, solvents & water

Essentials Plus Mat **absorbs leaks, drips and spills** to keep floors safer.

Wear Resistance: Low Durability Medium Durability High Durability Super Durability

Absorbency Options: LOW MEDIUM HIGH SUPER

Made of:
100% Polypropylene

Fast-Acting

PIG Essentials Pro quickly absorbs even large leaks and drips.

PIG Essentials Plus Mat

Fast wicking and handles light foot traffic.

One layer of low-lint spunbond is bonded to meltblown mat, creating an extra-strong, fast-absorbing mat that can handle large volumes of liquids. Keeps its shape even when saturated.

PIG® Essentials Plus Universal Mat Pads

	76cm W x 46m L	1 Roll	209 L/Bag	MRBH150
LIGHT	76cm W x 91m L	1 Roll	224 L/Bag	MRBL300

HOW IT'S MADE

Top layer of spunbond fabric ultrasonically bonded to a bottom layer of meltblown absorbent.

INTRODUCING PIG ESSENTIALS MATS!

PIG Essentials Pro Mat

Good mat strength and durability for demanding work areas.

PIG Essentials Plus Mat

Fast-absorbing mat can handle large volumes of liquids.

PIG Essentials Mat

For quick use-and-toss spill cleanup.

PIG Essentials Mat: Affordable choice for quick, easy cleanup.

- Quick absorbing and economical
Perfect for general applications.
- Absorbs and retains
Oils, coolants, solvents and water.
- Construction
Meltblown.

Essentials Mat For oils, coolants, solvents & water

Essentials Mat absorbs leaks, drips and spills to keep floors safer.

Wear Resistance:

Absorbency Options:

Made of:
100% Polypropylene

Great for general applications

PIG Essentials Mat is effective for light-duty maintenance and quick cleanup.

PIG Essentials Mat For soak-and-dispose use.

Starts absorbing on contact for quick response. Heavyweight has loose-weave design to maximise absorbency and use less mat.

PIG® Essentials Universal Mat Pads

WEIGHT	SIZE	UNIT	ABSORBS UP TO	ITEM #
HEAVY	38cm W x 48cm L	100 Pads	108 L/Bag	MPH100
LIGHT	38cm W x 46cm L	100 Pads	74 L/Bag	MPL200

PIG® Essentials Universal Mat Rolls

LIGHT	38cm W x 46m L	2 Rolls	151 L/Bag	MRLS300
	76cm W x 46m L	1 Roll	151 L/Bag	MRL300

HOW IT'S MADE

Single layer of meltblown polypropylene.

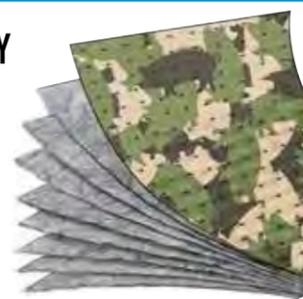

Ham-O Mat stays down longer to save on product and disposal costs.

- **Tough and scuff resistant**
Stands up to heavy foot traffic.
- **Absorbs and retains**
Oils, coolants, solvents and water.
- **Fast-wicking**
Spills disappear in seconds.
- **Construction**
100% Polypropylene.

**SUPERIOR TECHNOLOGY
INSIDE AND OUT**

Multiple layers of polypropylene and a spunbond top provide absorbency and wear resistance.

MAT116

PIG Ham-O Mat
Grime hides in the camo design.

Absorbed liquids disappear in the grime-hiding camouflage pattern; mat stays down longer. Heavyweight for durability and absorbency.

Ham-O Mat
For oils, coolants, solvents & water

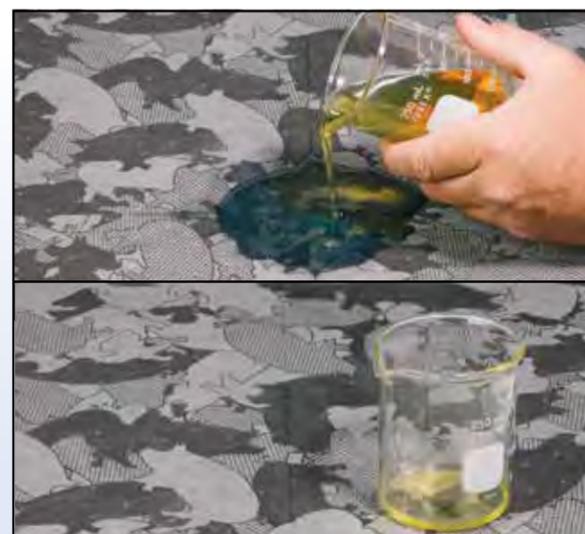

Absorbs leaks, drips and spills in two grime-hiding colours.

Wear Resistance: Low Durability, Medium Durability, High Durability, Super Durability

Absorbency Options: LOW, MEDIUM, HIGH, SUPER

Made of: **100% Polypropylene** **25%+ Recycled Content**

Now you see it... now you don't!

Oily leaks, drips and spills disappear as they're absorbed.

PIG High-Traffic Mats are built for traffic — from feet to forklifts.

Our family of high-traffic mats take PIG Universal Mat to the next level, with upgraded features like zigzag stitching, poly backing, and heat-fused and needle-punched layers. The end results are the toughest mats you can buy.

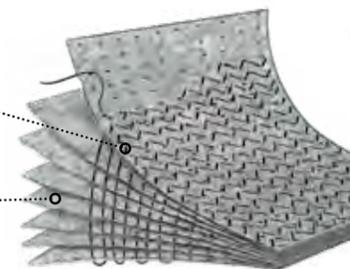

SUPERIOR TECHNOLOGY INSIDE AND OUT

PIG ELEPHANT MAT

Zigzag stitching adds strength.

Multiple layers of melt-blown polypropylene.

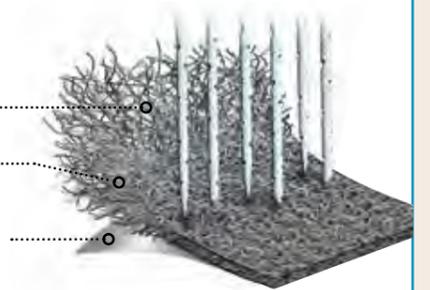

PIG TRAFFIC MAT

Barbed needles interlock polypropylene fibres for more durability.

Surface is heat fused for superior durability.

MAT223 adds a layer of poly backing to keep liquid from passing through to floors.

High-Traffic Mats

For oils, coolants, solvents & water

Super-durable PIG High-Traffic Mats can handle walk-on and wheeled traffic.

Wear Resistance: Low Durability, Medium Durability, High Durability, Super Durability

Absorbency Options: LOW, MEDIUM, HIGH, SUPER

Made of: **100% Polypropylene** and **25% Recycled Content (PIG Elephant Mat)**

Select the right mat for your workplace.

PIG ELEPHANT MAT

Same construction as PIG Mat but zigzag stitched for extra walk-on durability.

PIG TRAFFIC MAT

Our most durable absorbent mat stands up to forklift traffic and keeps on absorbing.

PIG High-Traffic Mats are found on pages 26-27.

MAT234

PIG Elephant Mat Handles “tons” of traffic.

PIG Elephant Mat is zigzag stitched for excellent walk-on durability. It's highly absorbent and designed for heavy foot or light to moderate wheeled traffic.

MAT32100

PIG Grippy Mat has full-coverage adhesive backing.

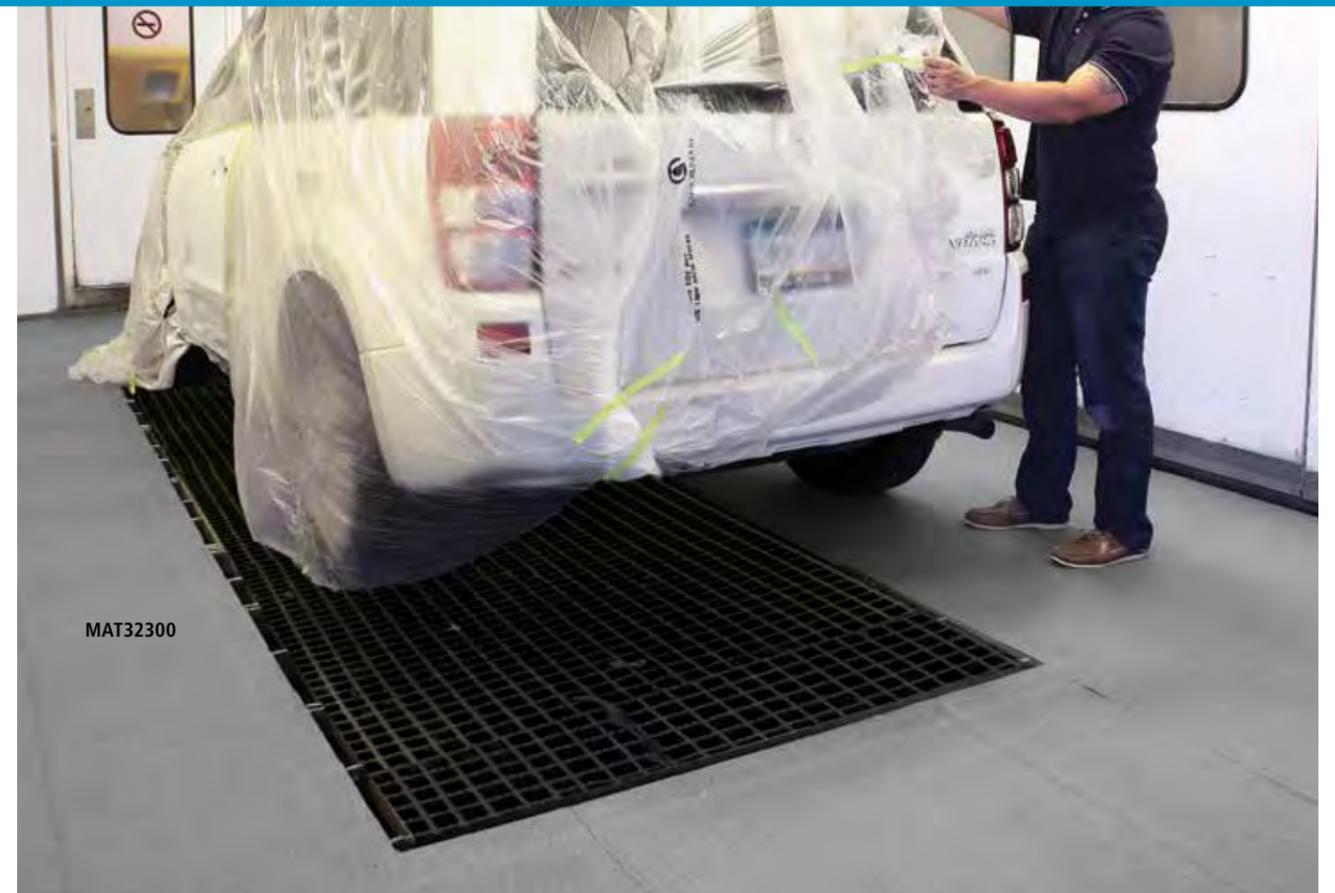

- Holds tight, leaves no residue
No need for tapes and trays.
- Multiple layers of fine-fibre polypropylene
Absorb leaks, drips and overspray.
- Lies flat to reduce trip hazards
No bunching or curling.
- Liquidproof barrier
Bottom layer keeps floors completely dry.
- Zigzag-stitching
Safer, high traction surface.
- Spunbond top layer
Stands up to foot and light wheeled traffic.

SUPERIOR TECHNOLOGY INSIDE AND OUT

Poly backing stops liquid and adhesive backing holds tight with no residue. Spunbond top layer stands up to foot traffic. Zigzag stitching adds strength.

The Grippy® backing holds tight whilst the poly backing keeps absorbed liquids from passing through to floors.

MAT32300

PIG Grippy Absorbent Mat Stays put no matter what!

A specially formulated, full-coverage adhesive backing keeps mat in place to prevent bunching, sliding or blowing away. And the poly backing creates a liquidproof barrier that keeps floors completely dry. Grey version is a proven ideal product for use in paint booths. Additional to the characteristics of the Grippy Absorbent Mat, it also eliminates shadows and reflection.

Grippy Absorbent Mat

For oils, coolants, solvents & water

PIG Grippy Mat stays put no matter what.
No curling, bunching or shifting, and no residue.

Wear Resistance: Low Durability, Medium Durability, High Durability, Super Durability

Absorbency Options: LOW, MEDIUM, HIGH, SUPER

Made of: **100% Polypropylene** **25%+ Recycled Content**

ADHESIVE BACKING

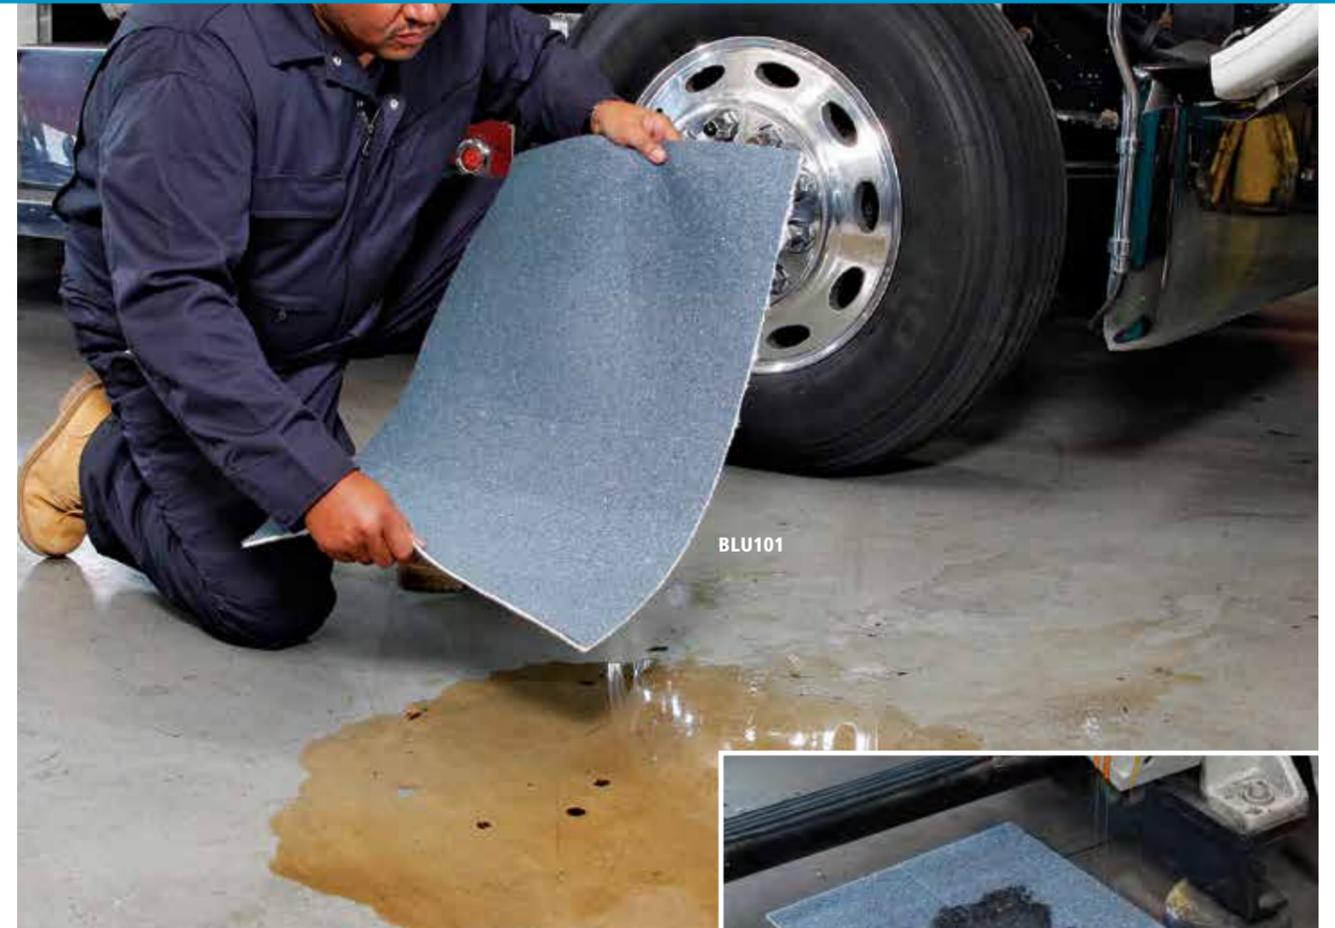

Pig Blue Mat easily handles high-volume liquids.

- **Maximum absorbency**
Soaks up more so you use less on big spills.
- **No leak zones**
Free of light spots for even absorption.
- **Stays together**
Won't fall apart, even when saturated.
- **Eco-friendly**
Contains 75% recycled fibres.

SUPERIOR TECHNOLOGY INSIDE AND OUT

FibreFusion® technology fuses natural and synthetic fibres to enhance absorbency, strength and loft.

Pig Blue Mat Our most absorbent mat.

The FibreFusion® Technology of Pig Blue Mat means it soaks up more so you use less. Use heavyweight for large spills and lightweight for everyday clean-ups.

Use Pig Blue for maintenance or steady leaks. More absorbency means fewer changeouts.

Pig Blue Universal Mat

For oils, coolants, solvents & water

Soaks up more so you use less on big spills and high-volume leaks.

Wear Resistance: Low Durability Medium Durability High Durability

Absorbency Options: LOW MEDIUM HIGH SUPER

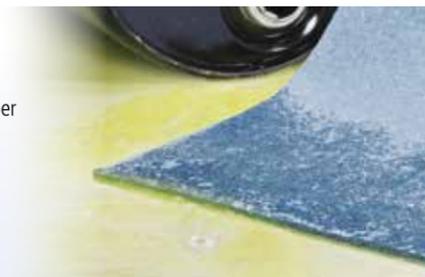

Made of:
Recycled and synthetic fibres

75%
Recycled Content

How much liquid do you need to absorb?

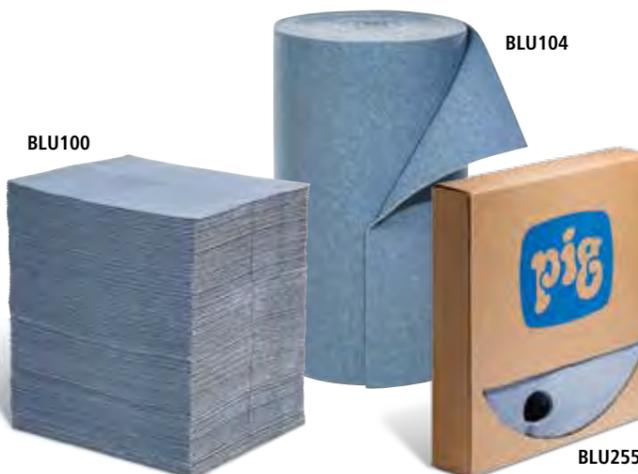

HIGH VOLUME

Heavyweight mat absorbs more liquid per pad for high-volume leaks and large spills.

LOW VOLUME

Lightweight mat is ideal for everyday tasks and clean-ups.

PIG Oil-Only Mat absorbs oil and repels water.

- Absorbs and retains oil-based liquids, lubricants and fuels, but not a drop of water
Floats on water.
- Strongest mat on the market
Won't rip, tear or fray.
- Exclusive dimple pattern
Quickly wicks liquid throughout mat.
- Highly absorbent, fine-fibre construction
No liquid or fibre residue.
- Two colours
White shows leaks; brown hides grime.
- Static-dissipative version
Absorbs fuels and solvents; proven to dissipate static.

SUPERIOR TECHNOLOGY INSIDE AND OUT

Multiple layers of 100% polypropylene make PIG Oil-Only Mat the toughest on the market.

Oil-Only Mat For oils and oil-based liquids

PIG Oil-Only Mat only absorbs oil-based liquids and lasts 2X longer than ordinary mats for fewer changeouts.

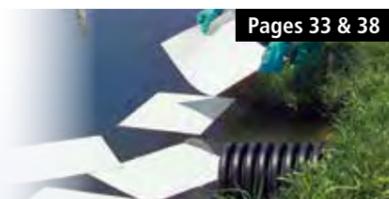

Made of:
100% Polypropylene

How much liquid do you need to absorb?

HIGH VOLUME

Heavyweight mat absorbs more liquid per pad for high-volume leaks and large spills.

MEDIUM VOLUME

Mediumweight mat offers mid-range absorbency for everyday maintenance and common jobs.

LOW VOLUME

Lightweight mat is perfect for cleaning up smaller spills.

PIG Oil-Only Heavyweight Mat Great for large-volume clean-ups.

Save money when you only need to absorb oil. PIG Oil-Only Mat absorbs and retains oils and oil-based liquids without taking in a drop of water.

The bright white colour clearly shows absorbed oil and draws attention to machine leaks.

INTRODUCING PIG ESSENTIALS MATS!

- PIG Essentials Pro Mat**
Good mat strength and durability for demanding work areas.
- PIG Essentials Plus Mat**
Fast-absorbing mat can handle large volumes of liquids.
- PIG Essentials Mat**
Effective for oil-only cleanup on water.

PIG Essentials Pro Mat: Affordable choice for great durability.

- Economical for high-traffic areas
Use near machinery and assembly lines.
- Absorbs and retains
Oils and oil-based liquids but not water.
- Construction
Fine fiber polypropylene.

Essentials Pro Mat For oils, not water

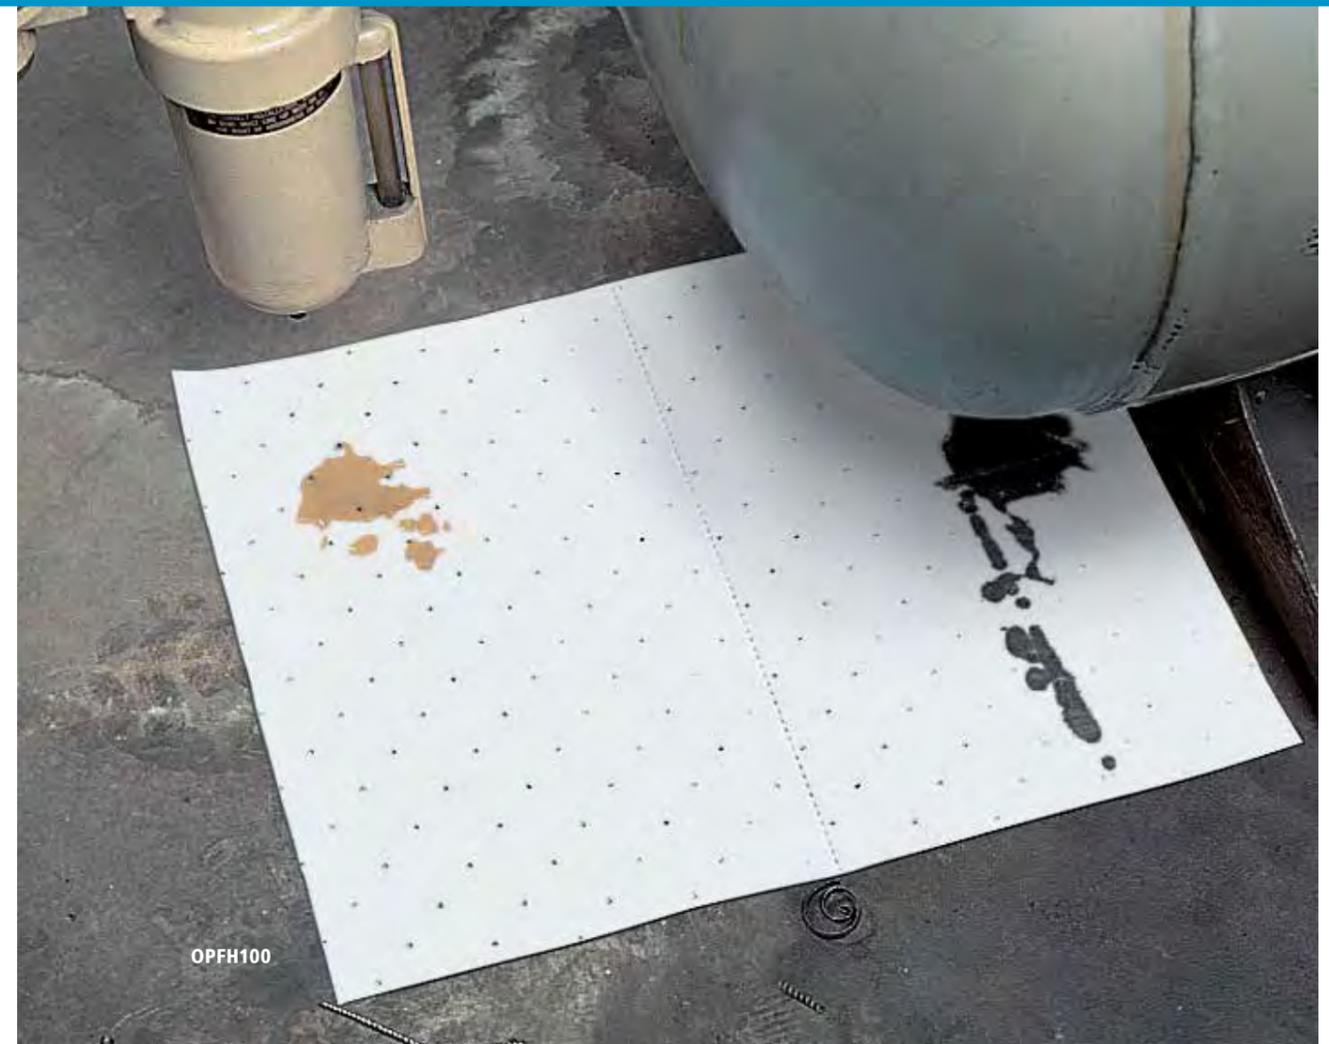

Essentials Pro Mat **absorbs leaks, drips and spills** to keep workplaces safer.

Made of:
100% Polypropylene

Great Durability
PIG Essentials Pro is strong and absorbent for effective cleanup.

PIG Essentials Pro Mat Control oil under machinery.

Densely woven, small diameter fibre strands increase mat surface area, providing good mat strength and durability, making this mat the perfect choice for demanding work areas.

PIG® Essentials Pro Oil-Only Mat Pads

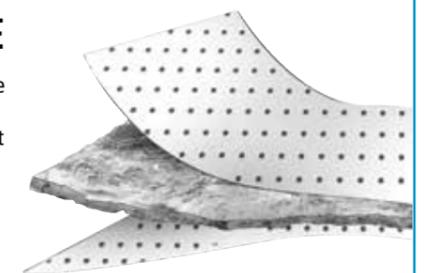

WEIGHT	SIZE	UNIT	ABSORBS UP TO	ITEM #

	76cm W x 46m L	1 Roll	189 L/Bag	ORFH150

HOW IT'S MADE

Two outer layers of fine fibre polypropylene around a high-loft melt blown centre.

INTRODUCING PIG ESSENTIALS MATS!

PIG Essentials Pro Mat

Good mat strength and durability for demanding work areas.

PIG Essentials Plus Mat

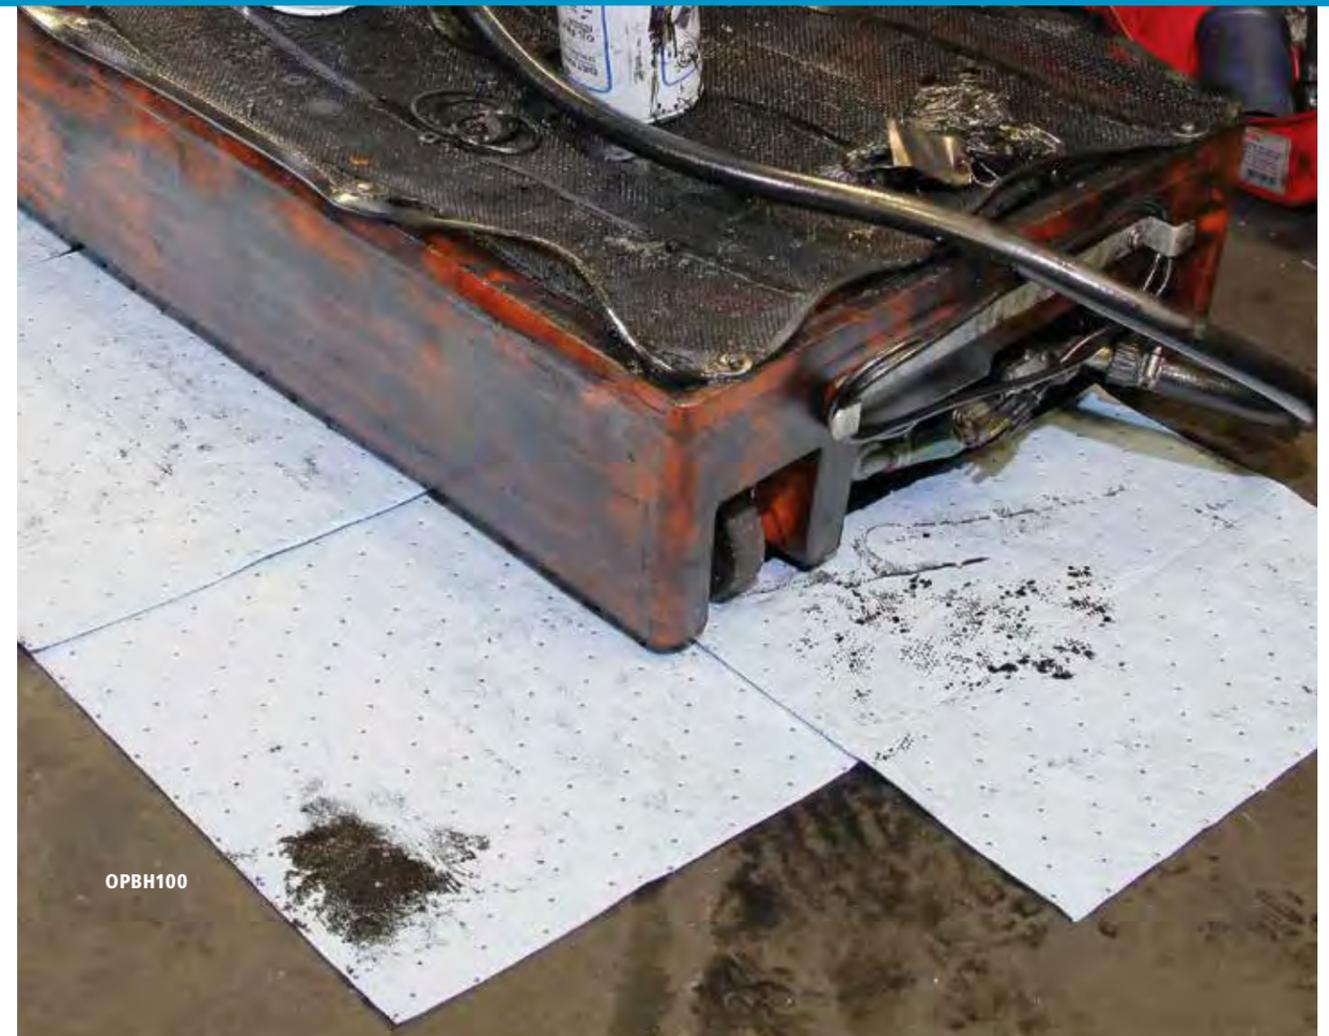

Fast-absorbing mat can handle large volumes of liquids.

PIG Essentials Mat

Effective for oil-only cleanup on water.

PIG Essentials Plus Mat: Affordable choice for light foot traffic.

- Economical and fast-absorbing
Great for handling large volumes of liquid.
- Absorbs and retains
Oils and oil-based liquids but not water.
- Construction
Spunbond meltblown.

Essentials Plus Mat

For oils, not water

Essentials Plus Mat **absorbs leaks, drips and spills** to keep workplaces safer.

Wear Resistance: Low Durability Medium Durability High Durability Super Durability

Absorbency Options: LOW MEDIUM HIGH SUPER

Made of:
100% Polypropylene

Ideal for everyday use

Abrasion-resistant top layer is perfect for cleaning small parts.

PIG Essentials Plus Mat

Fast absorbency of large volumes.

Melt-blown polypropylene layer creates high surface area for fast absorbency, a spunbond layer adds strength, and melt-blown poly fibres create a lofty layer that absorbs large volumes of oily liquids. Low lint.

HOW IT'S MADE

Single layer of meltblown polypropylene.

1 IT'S A WIPE!

2 IT'S A ROLL!

3 IT'S A SOCK!

4 IT'S A PAD!

PIG 4 in 1 Oil-Only Absorbent Mat
 Like getting 4 products in 1!

Use as a pad for oily drips and spills; roll out to cover large areas; fold along perforations to form a thick sock; tear off to use as a low-lint wipe.

SKM701

PIG Static-Dissipative Socks

The only sock proven to dissipate static.

Specially treated to reduce risk of electrostatic discharge; Absorbs and retains oil-based solvents and fuels — including acetone, benzene, petrol, toluene, xylene, mineral spirits and jet fuels — but not water. Passes NFPA 99 standards for static decay and surface resistivity.

SKM700

SKM701

IT ONLY TAKES ONE SPARK

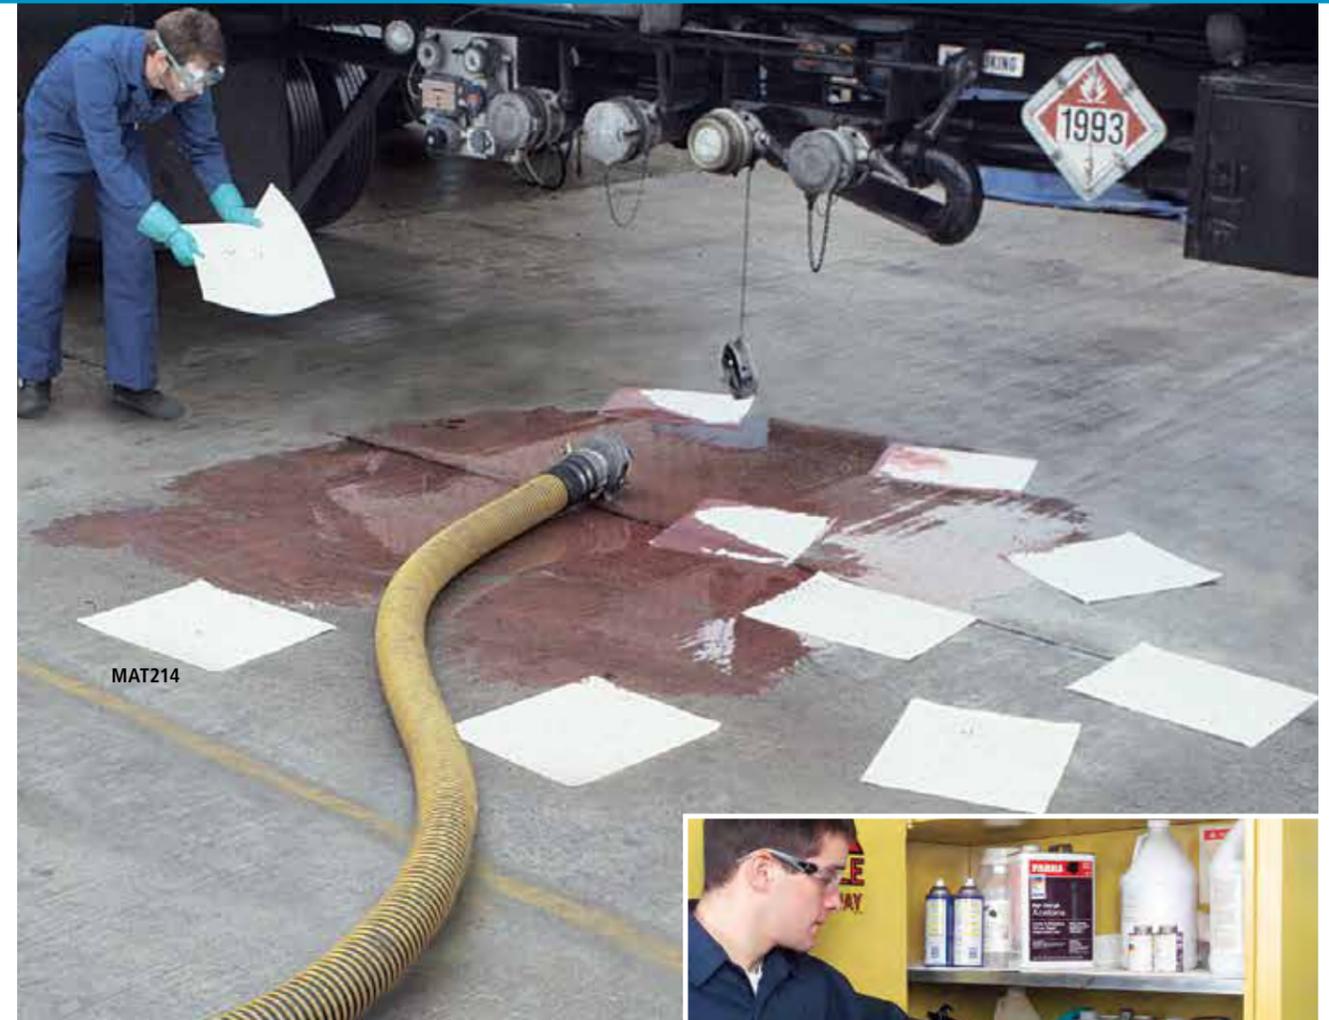

You can follow guidelines, comply with regulations, bond and ground every tank, fuel pump and container, but one simple fact remains: static electricity hides in plain sight and all it takes is one spark for disaster to strike — especially when there's a spill.

Refueling and liquid transfers create spills, so it makes sense to use absorbents in these areas to conform with environmental standards. The problem with conventional oil absorbents is that they're made from polypropylene — a plastic — and naturally carry a static charge. Independent testing shows that these

absorbents can carry a charge large enough to spark an explosion just by pulling one out of the bag. That's why using conventional oil absorbents around flammable liquids puts people in real danger.

The only way to be sure an absorbent is safe to use around flammables is to use one designed specially for static decay and surface resistivity, like PIG Static Dissipative socks, pads and rolls!

There also is a significant potential for shipping and handling to cause friction between the plastic bag and the absorbents inside — resulting in static charging. PIG Stat-Mat is packaged in bright pink, static-dissipative plastic that is similar to the packaging used to protect microconductors and electronics from static.

MAT214

PIG Stat-Mat

Safely absorbs fuels and solvents.

Specially treated to reduce risk of electrostatic discharge; packaged in static-dissipative bags to reduce static charge build-up. Passes NFPA 99 standards for static decay and surface resistivity.

Line the shelves where you store flammable liquids to reduce risk of static discharge.

PIG Socks and Booms contain and absorb spills.

Control leaks with PIG Socks, and stop polluting spills from spreading with PIG Booms.

Do I need a sock or a boom?

SOCK

Use a sock for smaller oil-based spills or maintenance.

BOOM

Surround, absorb and control large-volume oil-based spills on land or water.

PIG Original Socks Everyday leak protection.

PIG Original Socks hug corners and surround machine bases to absorb and retain oils, coolants, solvents and water.

PIG Clip-&-Fit Socks Custom fit your socks!

Use Clip-&-Fit Socks to create a custom-size Original Sock in seconds. Includes 100 ties to make up to 50 custom-length socks.

20cm Dia x 3m L	4 Booms	181.6 L/Bag	BOM202
20cm Dia x 6m L	2 Booms	181.6 L/Bag	BOM402

NOTE: When sea-weather condition is wind speed >5 knots & a (perpendicular) water-current speed >2 knots, this can cause oil absorbent booms to submerge, allowing oil to pass over them. Waves higher than freeboard (above water) portion of boom will push oil over absorbent booms; optimal sea-weather condition for usage is typically Beaufort Scale #2 or less

Spaghetti strip filler pulls in thick, petroleum-based liquids for effective spill cleanup.

PIG Essentials Oil-Only Booms
Good for long-term use on water.

Polypropylene boom repels water so you use all of your absorbency on oil, guaranteed. UV-treated sleeve. Easy-to-use connectors link multiple booms.

Use integrated connectors to link booms together to create a containment system big enough to handle almost any spill size.

PIG® Essentials Oil-Only Booms

NOTE: When sea-weather condition is wind speed >5 knots & a (perpendicular) water-current speed >2 knots, this can cause oil absorbent booms to submerge, allowing oil to pass over them. Waves higher than freeboard (above water) portion of boom will push oil over absorbent booms; optimal sea-weather condition for usage is typically Beaufort Scale #2 or less

FLT902

PIG Outdoor Filter Berm Pad

Capture oils and other hydrocarbons whilst rainwater flows through.

Replaceable absorbent liner berm walls to capture leaks and spills of oils and fuels; clean water passes through walls as hydrocarbons are filtered out. Foam sidewalls provide structure and increase sump capacity in the event of large rainfalls (ensures adequate filtering time).

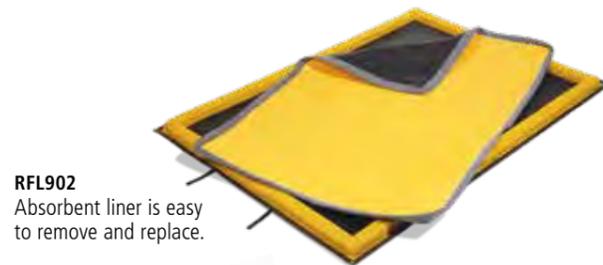

Corner grommets let you stake Berm Pad to the ground to help stay in place when empty.

PIG® Outdoor Filter Berm Pads

RFL902
 Absorbent liner is easy to remove and replace.

FLTE703
 Ideal for windy conditions, Anchoring Pegs help to safely secure the Plant Nappy into soft surfaces.

PIG Loose Absorbents are cleaner, safer and more efficient than clay.

Some messes clean up better with loose. With lightweight, highly absorbent, chemically resistant options, we've got you covered! You'll NEVER have to resort to clay.

- Spend less time and money **cleaning up spills of oils, coolants, solvents and water** with PIG Universal Loose Absorbents.
- Our Loose Oil Absorbents are **perfect for oil spill clean-up** without taking on a drop of water.
- PIG HazMat Loose Absorbents are specially formulated to **stand up to corrosive materials**.

Six reasons to stop using clay and switch to PIG Loose Absorbents!

- 1 Clay doesn't absorb. It just becomes coated with liquid that can seep through.
- 2 Clay is heavy: A bag can weigh 18–22kg — and it's hard to carry, sweep and shovel.
- 3 It is abrasive. Gritty particles can damage machine parts.
- 4 Clay sticks to your shoes. So you end up tracking it all over your site.
- 5 It's a health hazard. Some clay contains silica that can cause lung damage.
- 6 Disposal is expensive, messy and labour intensive.

PLP201

PIG Pans, Loose and Pillows: More solutions to your spill situations.

PLP201

PIG Loose

Safe, silica-free alternatives to clay — lightweight and more absorbent.

See pages 60-61.

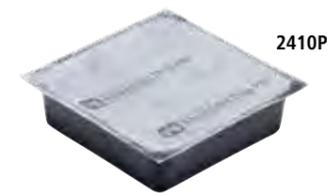

PIL201

PIG Pillows

Perfect to tuck under a big leak or steady drip in a tight spot.

See page 62.

2410PP

PIG Pans

Low-profile and spillproof pans are packed with loose absorbent.

See page 62.

PIG Grip-Dri
 Remains granular when saturated.

Fire-retardant absorbent is chemically inert and instantly soaks up liquids. Remains granular and holds liquids even under heavy traffic. Tested as per UNI CEN/TS 15366:2010, MPA Typ III R and NF P 98-190.

Absorbs oils, coolants, solvents, water, acids and caustics.

PIG® Grip-Dri Loose Absorbent

SIZE	SOLD AS	QTY/PALLET	ABSORBS UP TO	ITEM #
15 kg Bag	1 Each	70	19.8 L/Bag	PLPE260

PIG Dri Loose Absorbent
 Clay alternative soaks up spills.

A silica-safe alternative to clay, PIG Dri Loose is also easier to handle and fast working. Contains 47% post-consumer recycled cellulose waste.

Absorbs oils, coolants, solvents and water.

PIG® Dri Loose Absorbent

Spill Pouch	12/Box	—	17 L/Box	PLP220

PIG Oil-Only Lite-Dri Loose Absorbent

Lighter than clay plus it absorbs 3X more oil.

100% pre- and post-consumer recycled cellulose repels water while absorbing oil-based liquids.

Absorbs oils but not water.

PIG® Oil-Only Lite-Dri® Loose Absorbent

SIZE	SOLD AS	QTY/PALLET	ABSORBS UP TO	ITEM #
10kg bag	1 Each	54	30 L/Bag	PLP410

PIG Fire-Dri
 Absorbent is fireproof and organic.

Granular absorbent made of resin wood dust is suitable for many applications. Leaves surfaces clean, dry and safe.

Absorbs oils, coolants, solvents and water.

PIG® Fire-Dri Loose Absorbent

SIZE	SOLD AS	QTY/PALLET	ABSORBS UP TO	ITEM #
6kg Bag	1 Each	70	15 L/Bag	PLPE270

NOTE: Packaged by volume; seasonal variance can affect packaged weight.

PIG Essentials Cellulose Fibre Loose Absorbent

3X more absorbent than clay!

It's silica-free, nonabrasive, lightweight, 100% recycled cellulose — and it soaks up liquid the moment it touches the spill.

Absorbs oils, coolants, solvents and water.

PIG® Essentials Cellulose Fibre Loose Absorbent

SIZE	SOLD AS	QTY/PALLET	ABSORBS UP TO	ITEM #
8 kg Bag	1 Each	85	24 L/Bag	PLPE240

PIG Peat Oil-Only Absorbent
 Works indoors or out!

All natural, super-absorbent peat moss pulls in only oil-based liquids, not water. Even removes the oily sheen. Nonabrasive; will not harm floors or machinery.

Absorbs oils but not water.

PIG® Peat Oil-Only Absorbent

SIZE	SOLD AS	QTY/PALLET	ABSORBS UP TO	ITEM #
5 kg Bag	1 Each	60	30 L/Box	PLP404

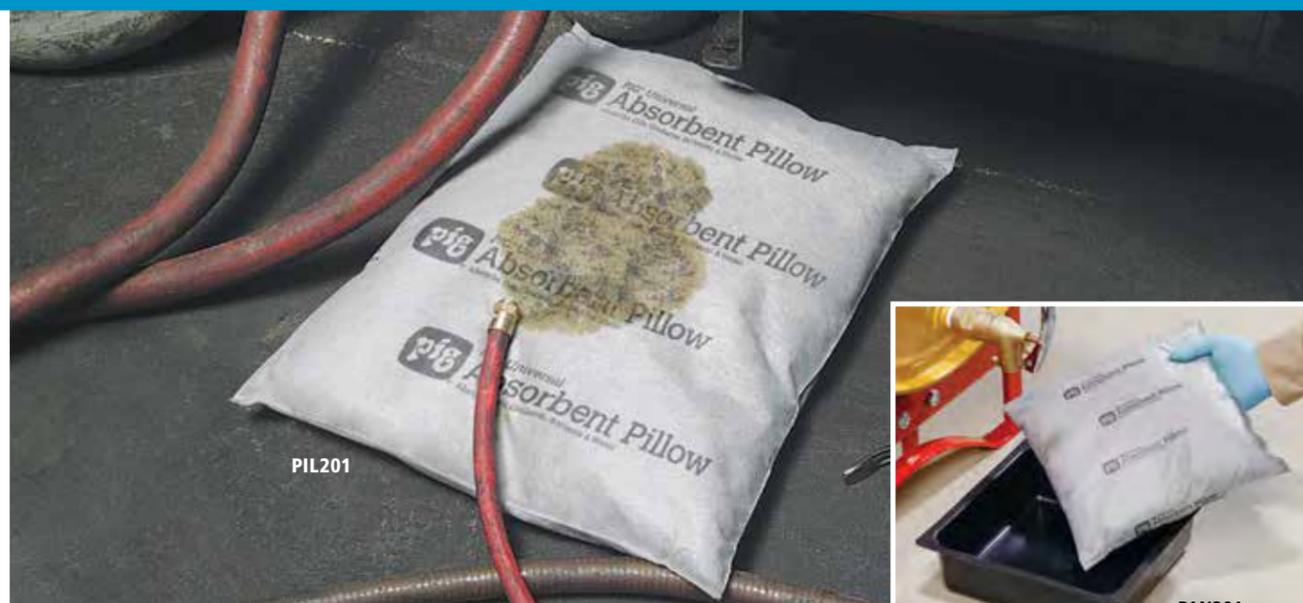

PIG Crysta-lite
 Economical and non-combustible.

Ultra-lightweight, chemically inert loose for spills of water, oils, organic solvents and acids. Will absorb many times its own weight.

Absorbs oils, water, organic solvents and acids.

PIG® Crysta-lite Absorbent Granules

SIZE	SOLD AS	QTY/PALLET	ABSORBS UP TO	ITEM #
3.5kg bag	1 Each	70	18 L/Bag	P45-1

PIG Pillows

Attack steady leaks or large spills.

Pillows are highly absorbent and high capacity. Pillow-in-a-Pan slides underneath machinery or into tight spaces. Super Pillows have stitched skin for extra strength.

Absorbs oils, coolants, solvents and water.

PIG HazMat Chemical Absorbents stand out from the rest for chemical clean-up.

- Absorbent range
Acids, caustics, corrosives, chemicals and unknown liquids.
- Chemical resistant
No degradation or dangerous reaction on contact with corrosive.
- Strongest mat
Won't rip, tear or fray even when saturated.
- Distinctive pink
Pink colour is easily distinguishable for correct absorbent choice.

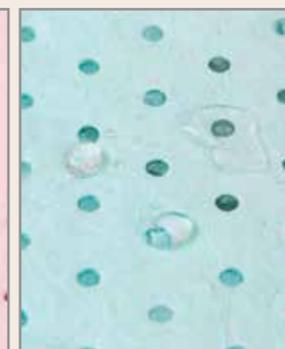

ACID SPILLS? THINK PINK.

PIG HazMat outperforms the competition:

OURS

Even 98% Sulfuric acid is completely absorbed.

THEIRS

Highly corrosive liquids just puddle on top.

SUPERIOR TECHNOLOGY INSIDE AND OUT

Multiple layers of fine fibre polypropylene specially treated to absorb corrosives make PIG Mat the toughest mat on the market!

PIG HazMat Chemical Pads and Rolls

Pads and rolls also available in a dispenser box for portability and protection from dirt and moisture.

MAT354

See page 64-65

PIG HazMat Chemical Socks and Dikes

Socks are perfect for smaller spills of concentrated chemicals. Dikes are great for higher-volume spills.

124CR

See page 65

PIG HazMat Chemical Pillows

High-capacity pillows step up to add even more absorbency during response to spills of chemicals, acids, caustics or unknown liquids.

HR7015

See page 65

ATTENTION: Independent testing indicates that PIG® HazMat Chemical products are compatible with and absorb most acids and caustics. Due to variables and conditions of applications beyond our control, New Pig cannot guarantee that these products will absorb to your satisfaction. To ensure effectiveness and your safety, we recommend that you conduct compatibility and absorption testing of your chemicals with PIG® HazMat Chemical products prior to purchase. If you have any questions or need samples to test, please contact your local distributor.

INTRODUCING PIG ESSENTIALS MATS!

PIG Essentials Pro Mat

Durable, low-lint mat absorbs acids, caustics and unknown liquids.

PIG Essentials Pro Mat: Clean up corrosives.

- **Quick response**
Colour-coded for fast identification.
- **Absorbs and retains**
Acids, caustics and unknown liquids.
- **Construction**
Fine fibre polypropylene.

Essentials Pro Mat for acids, caustics and unknown liquids

Essentials Pro Mat **absorbs leaks, drips and spills** to keep floors safer.

Made of:
100% Polypropylene

Great Durability

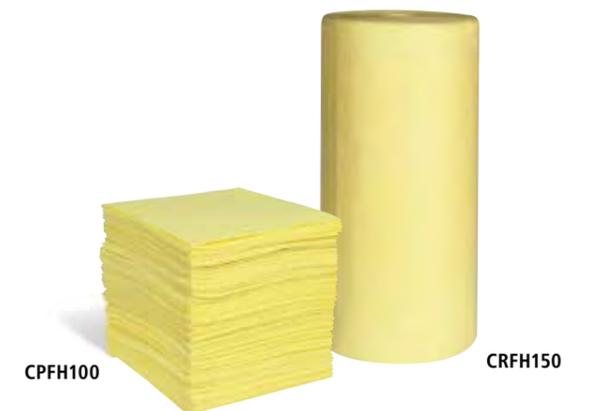

PIG Essentials Pro is ideal for demanding work areas.

CPFH100

PIG Essentials Pro Chemical Mat Absorb corrosives quickly.

Densely woven top and bottom layers increase mat surface area, soaking up liquids on contact. High loft inner poly-fibre layer soaks up high volumes. Safety yellow colour for emergency spill response.

CPFH100

ATTENTION: Independent testing indicates that PIG® Essentials Chemical absorbents are compatible with and absorb most acids and caustics. Due to variables and conditions of applications beyond our control, it cannot be guaranteed that these products will absorb to your satisfaction. To ensure effectiveness and your safety, we recommend that you conduct compatibility and absorption testing of your chemicals with PIG® Essentials Chemical absorbents prior to purchase. If you have any questions or need samples to test, please contact your authorised distributor.

HOW IT'S MADE

Two outer layers of fine fibre polypropylene around a high-loft melt blown centre

PIG309

PIG Acid Neutralising Absorbents

Absorb, encapsulate and neutralise.

Three easy steps in one product for safer acid spill cleanup. Colour changes indicate different stages of the process. Instantly absorbs up to 98% concentrations of sulfuric acid.

PIG® Encapsulating/Neutralising Mat and Sock

PIG309

PIG Wipes are top quality for jobs from polishing to rough scrubbing.

For a perfectly manufactured, clean and dependable product every time, PIG Wipes can't be beat. Use the chart below as a guide to picking the best wipe for your needs.

Look for these icons. The higher the number, the more you can expect from your wipe.

100

#100 Ultra-Duty can be used all day and provide the highest levels of abrasion and solvent resistance.

70

#70 Heavy-Duty provide the extra toughness you need for jobs like wiping rough parts, gears and sprockets.

40

35

#40 & #35 Medium-Duty deliver a balance of toughness, absorbency, and economical cost per use.

Ultra-Duty

PIG #100 Disposable Polishing & Wiping Cloths.

Get super durability, absorbency and abrasion resistance all-day long.

WIP950

See page 70

Heavy-Duty

PIG #70 Heavy-Duty Maintenance Wipes.

Tough enough to clean rough parts without shredding.

WIP306

See page 70

Medium-Duty

PIG #40 All-Purpose Wipes.

Blends versatility, absorbency and affordability.

WIP231

See page 71-73

Speciality

PIG Light-Duty Solvent Wipes.

Economical but tough on harsh solvents.

WIP190

See page 73-74

PIG Disposable Wiping Cloths
Great for precision cleaning on smooth surfaces.

Great for polishing and no-scratch removal of particles after milling parts or final wiping before painting. Can be rinsed and reused.

PIG® #100 Disposable Polishing & Wiping Cloths

PIG Spill Control products can help you prevent liquids from escaping.

Take control of spill situations with our best-selling, best-sealing products to control spills, protect drains and avoid fines.

- Only PIG Spill Kits are packed with the world's #1 brand of absorbents
- PIG DrainBlocker Drain Covers seal tight to protect drains both indoors and outdoors
- PIG SpillBlocker and LeakBlocker Dikes offer fast protection in spill response situations
- PIG Build-A-Berm Barriers can be permanent protection around leaky machines or storage areas

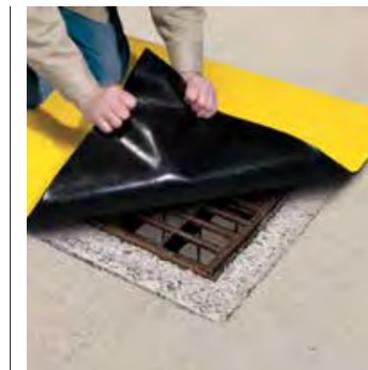

PIG Spill Kits, Dikes, Drain Covers and Barriers handle a wide range of spill control jobs.

PIG Spill Kits

From small to large spills, PIG has a kit for every need.

See pages 76-88

PIG Drain Covers

Stop spills from polluting your drains. Cover and protect!

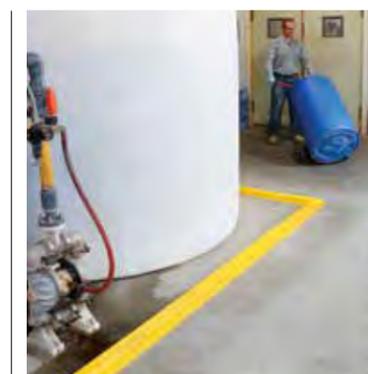

See pages 89-95

PIG SpillBlocker Dikes

Divert and contain spills up to 17cm deep from drains.

See pages 96-97

PIG Build-A-Berm Barriers & Plugs

Confine leaks and spills around machines and seal drains below grates.

See page 95, 98-99

PIG Spill Kits are packed with the world's #1 absorbents.

- **World-class absorbents**
Kits are equipped with PIG Absorbents specific to spill type
- **Variety of containers**
Choices range from portable grab-and-go to mobile carts to overpack salvage drums
- **Packed for fast response**
Kits are packed in the order contents are needed for fast response and access

SPILL KITS Choose the type of kit according to your liquid.

- Universal**
Also called MRO absorbents, these soak up the widest range of everyday liquids: oils, coolants, solvents and water
- Oil-Only**
PIG Oil-Only Absorbents absorb and retain oils and hydrocarbon-based liquids, without soaking up a drop of water
- Chemical**
PIG HazMat absorbents are specially treated to soak up acids, caustics and unknown liquids

ATTENTION: Independent testing indicates that PIG® HAZ-MAT products are compatible with and absorb most acids and caustics. Due to variables and conditions of applications beyond our control, New Pig cannot guarantee that this product will absorb to your satisfaction. To ensure effectiveness and your safety, we recommend that you conduct compatibility and absorption testing of your chemicals with PIG® HAZ-MAT products prior to purchase. If you have any questions or need samples to test, please contact your local distributor.

SPILL RESPONSE IN FIVE STEPS

On Water

Position booms downstream with enough slack to float freely or angled from water flow to channel oil.

- 1**
Put on proper personal protective equipment.
- 2**
Overlap socks to contain spill. Use multiple layers for large spills.
- 3**
Place absorbents from the outside in.
- 4**
Use **A** mats for maximum coverage, **B** pillows for maximum absorbency.
- 5**
Dispose of used absorbents in yellow bags.

There's a PIG Kit to handle any size spill.

PIG Spill Kits come in a variety of absorbencies and are arranged in this catalog by container type.

Protective Cover for 360L PIG® Overpack Kit

COLOUR	ITEM #
Yellow	PAK201

Use PIG Drain Covers, Blockers and Barriers to divert and contain spills.

- PIG Drain Covers**
 Block drains and keep contaminants out of the water system. Choose the PIG Original DrainBlocker Drain Cover or the heavy-traffic PIG Drive-Over DrainBlocker Drain Cover
- PIG SpillBlockers**
 Effective for quick deploy and fast protection from spreading liquids; available in different sizes and heights and also as drive-over models
- PIG Build-A-Berm Barrier**
 Semi-permanent, crush-resistant containment surrounds leaky machinery or storage areas; available in various heights

Pick a solution to divert and contain your spill.

PIG DrainBlocker Drain Covers

Protects drains, seals tight, and won't rip.

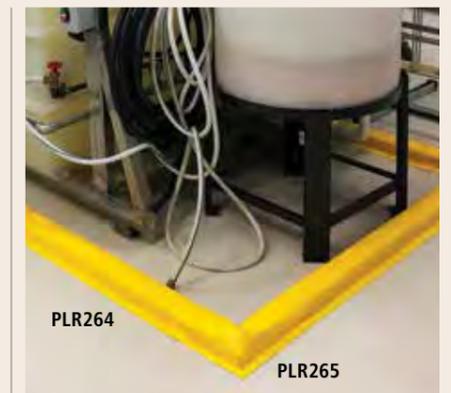

See pages 91-95

PIG SpillBlocker & LeakBlocker Dikes

Just lay them down to keep spills from spreading.

See pages 96-97

PIG Build-A-Berm Barrier

A more permanent solution in a leak-prone area.

See pages 98-99

Three PIG-proven ways to protect drains and control liquids.

1. COVER DRAINS

PIG Original DrainBlocker Drain Cover

- Seals tight to keep out unwanted liquids
- Won't rip, tear or stretch when you pick it back up
- Use for fast spill response
- ◆ **Helps you comply** with Environmental and ADR regulations

See page 91

2. CONFINE & CHANNEL LIQUIDS

PIG Original SpillBlocker Dike

- Flexible and formable to the shape of the spill
- Tacky bottom layer seals tight so no liquid seeps underneath
- Confines spills or channels washdown liquids without absorbing them
- ◆ **Helps you comply** with Environmental and ADR regulations

See page 96

3. SEMI-PERMANENT CONTAINMENT

PIG Build-A-Berm Barrier

- Configure a custom barrier to fit your leak-prone areas
 - Pliable foam barrier springs back to shape so you can roll wheeled equipment right in
 - Big savings compared to building cement or angle iron curbs

See page 99

PIG Original DrainBlocker Drain Cover

Protect your drains!

Flexible, tear-resistant cover in hi-vis yellow moulds to uneven surfaces to tightly seal drain openings and keep out unwanted liquids. Chemical resistant and super durable.

These covers should not be walked on.

Place the cover over the drain with poly side down and press firmly.

When done, pull up the cover and clean it with soap and water.

Once clean, roll the cover poly side up onto its silicone fabric.

Store in supplied bag until next use.

Our toughest DrainBlocker can take whatever your car park dishes out.

- Punctures**
 Stands up to debris and sharp objects that damage other covers.
- Abrasion**
 Won't wear down even when tyres track on dirt and gravel.
- Tearing**
 More tear resistance means it won't rip or shred.
- UV & IR Light**
 Made to take the baking sun in your car park.
- Chemicals**
 Resists many commonly used chemicals to keep drains secure.

10mm H

Interlocking end joints connect dike sections to create longer lengths.

Corner pieces let you make sharp 90° turns for a fully enclosed containment area.

PLR109
Wall end sits flush against the floor and a wall, curb, etc.

PLR264
Open-cell foam interior springs back into shape after you walk on it or roll over it with a trolley.

PIG Drive-Over Build-A-Berm Barrier Handles heavy traffic!

Provides semipermanent containment in high-traffic areas on concrete, asphalt or most sealed surfaces; for best results, use on a smooth, sealed surface. Berm compresses to approximately 6mm when driven over, then springs back to shape when vehicles pass.

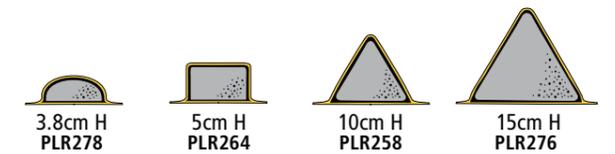

PLR283 Heavy-duty barrier
Strong 40 oz. vinyl cover
Aluminum mounting strip
Crush-resistant foam
Steel anchor point

When used with standard Build-A-Berm Barriers (page 99), orange colour indicates area where drivers can enter and exit.

PIG Build-A-Berm Barrier Configure custom sizes.

PIG Build-A-Berm Barriers can be constructed into a semipermanent, high-visibility barrier that's exactly the size and shape you need — indoors or out. Pliable open-cell foam barrier springs back into shape after you walk or roll over it with light, wheeled equipment.

Wall end sits flush against the floor and a wall, curb, etc.

PIG Leak Diverters protect your workplace from overhead leaks.

- **Provide protection**
Diversers can help protect employees, equipment and inventory
- **Temporary fix**
Catch and control leaks until you can make repairs
- **Keep floors dry**
Leaks cause wet floors, which cause slips and falls
- **Stay prepared**
Keep a Leak Diverter on hand before you need one to avert disaster

LEAK DIVERTED, CRISIS AVERTED

Why choose PIG?

Only PIG Leak Diverters deliver the top-quality and wide selection that can keep you covered in any situation.

Here's how it works...

3 TYPES OF PIG LEAK DIVERTERS:

What type do you need?

FOR ROOFS – SEE PAGES 102–105

PIG Roof Leak Diverters hang in problem spots to catch nuisance leaks and protect your people, equipment and inventory.

Quick Control Leak Diverters install even faster! See pages 104–105.

FOR PIPES – SEE PAGES 106–107

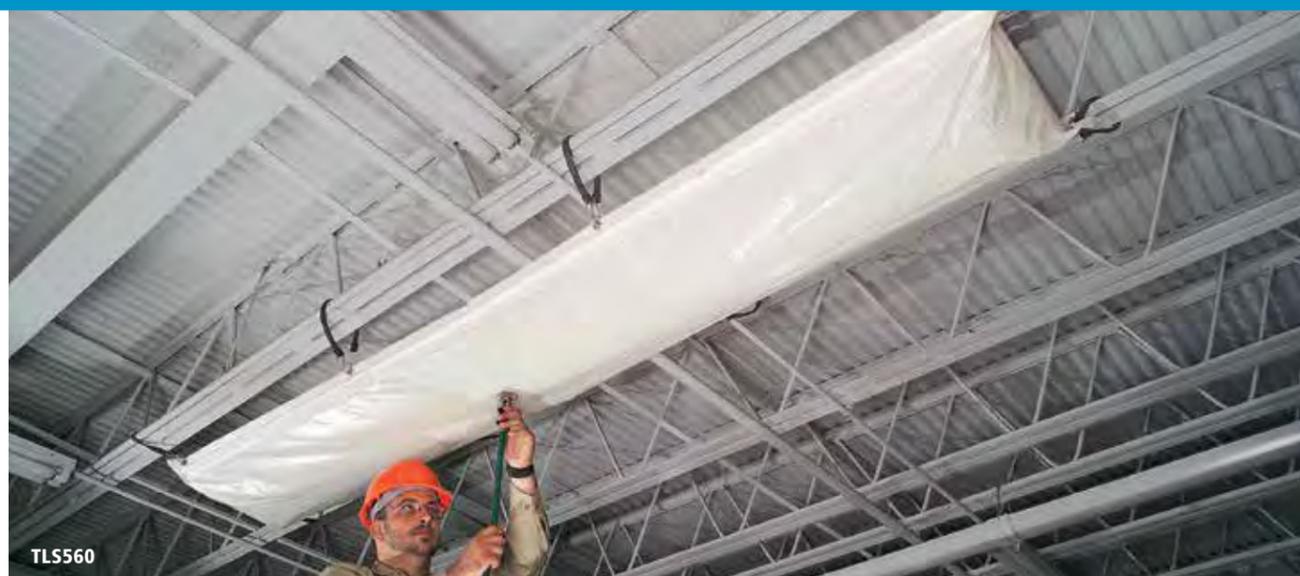

PIG Pipe Leak Diverters hang easily to catch and divert leaks and condensation.

FOR CEILINGS – SEE PAGE 106

PIG Ceiling Tile Leak Diverters install in office areas for low-profile protection that won't get in your way.

PIG Trough and Sloping Style Leak Diverters

Protect your people and equipment.

Trough style diverter's long rectangular shape catches and channels leaks or condensation along cracks, fissures or pipes. When fitted around pipes with attached hook-and-loop strips, the sloping style diverter's natural slope helps it catch and channel leaks to a drain or container.

PIG® Trough and Sloping Style Leak Diverters

SIZE	COLOUR	STYLE	ITEM #
41cm W x 305cm L	Translucent	Trough Style for Roofs	TLS560
41cm W x 457cm L	Translucent	Trough Style for Roofs	TLS561

NOTE: Not suitable for temperatures over 170°F/77°C.
 Dimensions are nominal size due to pinched corners and reinforced side walls.

Leak Diverter Accessories Must-haves for your diverters.

Straps, hoses, connectors and buckets help you get the best performance out of your diverters. Be prepared for leaks and drips!

PIG Pallets and Decks are best in class.

We understand what you need and build it into every product: That's the PIG Quality Advantage. Our pallets and decks offer features you won't find anywhere else!

1. Unsurpassed Strength:

Every PIG Pallet and Deck is built to support the maximum load long-term. Even fully loaded, our products won't bow, buckle or break!

2. Thickest Grates on the Market:

Anti-slip structural grates on our Heavy-Duty Pallets add incredible strength - ours won't bend like cheaper alternatives!

3. Lowest Loading Height:

A low pallet height means less effort to load and unload drums safely on and off the pallet.

4. Proven Chemical Compatibility:

Our pallets and decks are compatible with every type of non-flammable liquid you need to store, whether it's corrosive, oily or anything in-between.

5. Rigorous Testing:

We subject all of our products to more punishment than you can ever dish out, so you can be sure that, when we say a pallet can stand up to a 4,000 kg. load, it can.

PIG ESSENTIALS CONTAINMENT!

Safely store hazardous liquids

Affordability is the key feature of our PIG Essentials line of containment products. Keep your workplace safe and secure by properly storing and securing your drums.

PIG Poly Spill Pallets

Strong and economical.

These 100% polyethylene spill containment pallets are strong enough to support fully loaded steel drums. Resist UV rays, rust, corrosion and most chemicals.

Helps comply with containment regulations.

GRIPPY ANTIMICROBIAL MATS

GRIPPY ABSORBENT MATS

PIG GRIPPY ADHESIVE-BACKED MATS

The answer to preventing slips, trips and falls?
It's right under your feet!

Award-winning PIG Grippy Adhesive-Backed Mats are the perfect addition to your floor safety measures.

Our team perfected New Pig's exclusive stick-and-release technology and invented the world's first adhesive-backed absorbent mat. Over 10 years later, no one comes close in quality, range and reliability.

Our Adhesive-Backed Mats range is proven to never disintegrate or leave any residue behind – even when saturated. They stick tight to most commercial floor surfaces and won't ripple, bunch up or flip over. They offer the perfect solution for reducing slips, trips and falls, as well as the costly legal claims often associated with these types of incidents.

They provide a safer, lower-profile, more durable and aesthetically-pleasing floor safety solution when compared with traditional rubber-backed mats.

Isn't it time to take your floor safety to the next level with PIG Grippy Adhesive-Backed Mats?

PIG Grippy Adhesive-Backed Mats
EASY FIT — EASY CLEAN — EASY CHANGEOUT
Find out just how easy on page 147.

TESTED & CERTIFIED!

EU: DIN 51130:2014 – Grippy Floor Mat classified as slip resistance R13 according to DIN51130 - suitable for use on floors in workrooms and work areas where there is increased risk of slipping due to grease, oil, water, foods, left-overs, dust, flour, paint clippings etc.
BS7976-2:2002+A1:2013 - Low slip. Tested in accordance with BS 7976-2:2002+A1:2013, and demonstrated low slip potential in both wet and dry conditions.
BS EN 13501-1:2007+A1:2009 - Fire classification Bfl-s1 when tested according to BS EN 13501-1.

US: National Floor Safety Institute (NFSI): When used as part of your floor safety program, high-traction surfaces such as Grippy Floor Mat have been proven to reduce slip-and-fall claims by as much as 90%.

EXCLUSIVE BENEFITS OF PIG GRIPPY ADHESIVE-BACKED MATS

SAFER

Reduce hazards.
Trap dirt and liquids for months at a time to prevent their spread for cleaner, safer, drier floors.

CLEANER

Keep floors cleaner for longer.
Traps dirt, grease, salt and a variety of liquids to keep floors looking their best.

LONGER LASTING

Stays down longer.
Durable mat construction lasts longer than traditional-style floor mats — stays on the job for up to 6 months!

CUSTOMISABLE

Easily cut to fit.
Create perfect, continuous coverage in any size or shape. No gaps. No ripples. No overlaps.

GREENER

Environmental choice.
PIG Grippy Floor Mat has up to 91% lower environmental impact than rental floor mats. Grippy Absorbent Mat is made using 25% pre-consumer recycled content. Grippy Carpet Entrance Mat's absorbent layer is made from 100% post-consumer recycled polyester fabric.

ECONOMICAL

Save time and money.
Protect floor surfaces and decrease cleaning time, all while reducing slip, trip and fall claims.

GRIPPY FLOOR MATS - See Pages 132-137

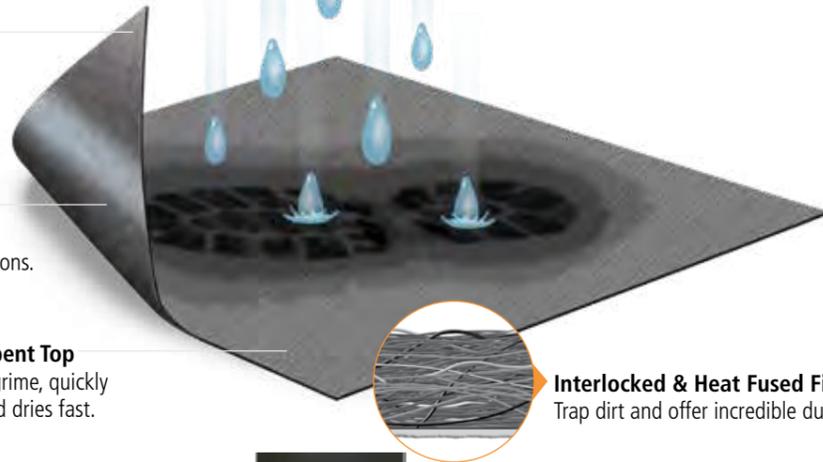

Durable and low-profile mats stay in place and trap dirt, grease, salt and moisture. Available in original Floor Mat, Custom Printed Floor Mat and Floor Mat with Safety Borders varieties.

Impermeable Poly Layer
Stops liquids from passing through to floor.

Adhesive Backing
Sticks tight, but peels up easily. Won't disintegrate in wet conditions.

Tough Absorbent Top
Traps dirt and grime, quickly wicks liquid and dries fast.

Interlocked & Heat Fused Fibres
Trap dirt and offer incredible durability.

Styles:

Floor Mat

Custom Printed Floor Mat

Floor Mat with Safety Borders

91% LOWER environmental impact than rubber-backed mats!*

Depending on conditions and traffic patterns, Grippy Floor Mat only needs replaced twice per year. Grippy Floor Mat would have to be replaced 47 times per year to have the equivalent environmental impact of rubber-backed mats. Even if you OWN rubber-backed floor mats and don't launder them, Grippy Floor Mat still has a LOWER environmental impact of at least 40%.

*Based on an independent Energy and Environmental Impact Comparison of the PIG® Grippy® Floor Mat and Rental Floor Mat study. Conducted by the Golisano Institute for Sustainability, Rochester Institute of Technology, March 20, 2017. Full study available upon request.

GRIPPY CARPET ENTRANCE MATS - See Pages 138-139

Plush and attractive alternative to outdated rubber-backed entrance mats. High-performance, low-profile surface, with stylish texture for entrances that impress.

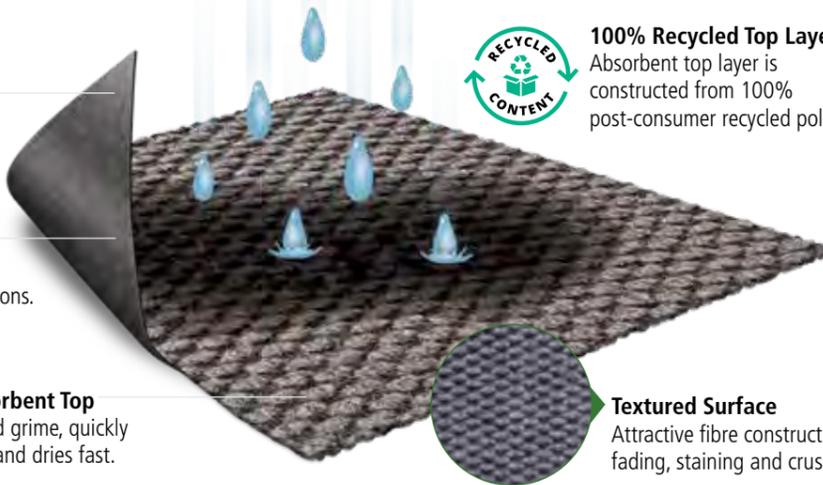

Impermeable Poly Layer
Stops liquids from passing through to floor.

Adhesive Backing
Sticks tight, but peels up easily. Won't disintegrate in wet conditions.

Tough Absorbent Top
Traps dirt and grime, quickly wicks liquid and dries fast.

100% Recycled Top Layer
Absorbent top layer is constructed from 100% post-consumer recycled polyester.

Textured Surface
Attractive fibre construction resists fading, staining and crushing.

Styles:

Black

Burgundy

Grey

GRIPPY ANTIMICROBIAL MATS - See Pages 140-143

All the safety features of Grippy Floor Mat plus a permanently infused antimicrobial technology that fights odour causing bacteria and mould.

Impermeable Poly Layer
Stops liquids from passing through to floor.

Adhesive Backing
Sticks tight, but peels up easily. Won't disintegrate in wet conditions.

Tough Absorbent Top
Quickly wicks liquids and dries fast.

DW-30 Ultra-Fresh Infused
Permanent infusion of DW-30 Ultra-Fresh antimicrobial technology to help fight odours, mould, and bacteria growth.

Interlocked & Heat Fused Fibres
Trap dirt and offer incredible durability.

Styles:

Small Urinal

Large Urinal

Plunger

Toilet

Sink & Dryer

Runners

Absorb OILS, coolants, solvents and water.

GRIPPY ABSORBENT MATS - See Pages 144-145

Improve industrial floor safety and reduce slips, trips and falls around machines, equipment and workstations where oily overspray is an issue.

Impermeable Bottom Layer
Prevents absorbed liquids from leaking through to the floor.

Adhesive Backing
Keeps mat in place, pulls up easily and won't disintegrate in wet conditions.

Strong Construction
Tough spunbond top layer, with zigzag stitching for added strength, stands up to heavy foot traffic and equipment drive-overs.

25% Recycled Content
Manufactured using 25% pre-consumer recycled content.

Multi-Layered
Layers of fine-fibre polypropylene quickly absorb and trap oils, coolants, solvents and water.

NO SHIFTING, BUNCHING OR FLIPPING OVER!

Create a safe amount of walk-off coverage with **PIG Grippy Floor Mat**.

PIG GRIPPY FLOOR MAT RANGE

Stop slips, trips and falls for good with the thinnest commercial floor mats you can buy.

- ▶ Install a high traction, customised walking surface anywhere you need it
- ▶ Won't obstruct doors or become a tripping hazard
- ▶ Leave mat in place and vacuum, mop, or even deep clean with a floor scrubber
- ▶ Durable construction withstands constant traffic for up to 6 months

Our Floor Mat range makes it easy to install a high-traction, customised walking surface anywhere you need it – with no dangerous gaps or overlaps – in entrances, aisles, transition areas, walkways and more.

They are absorbent, quick-drying and dirt-trapping to prevent the tracking and seepage associated with traditional rubber-backed mats, which often leads to dangerous slip and fall incidents and unsightly floors.

Unlike traditional rubber-backed mats, our adhesive-backed Floor Mat range never shifts, ripples or bunches up, so they won't obstruct doors or become a tripping hazard. And because they are ultra-low profile, they're perfect for use with wheelchairs, walkers and other light-wheeled traffic, too!

The full Floor Mat range can be cleaned along with the rest of your floor – just leave mat in place and vacuum, mop or even deep clean with a floor scrubber for super-easy, stay-in-place maintenance!

Their durable construction withstands constant traffic for up to six months, so you change them out less often – saving you time and money. But, when the time does come to replace them, our exclusive adhesive formulation pulls up easily without leaving any residue behind.

So, for cleaner, safer floors, replace your outdated rental and rubber-backed mats with PIG Grippy Adhesive-Backed Mats – the mat that stays put no matter what.

GRIPPY FLOOR MAT

See Pages 132-133

Our original adhesive-backed mat is the ideal solution for commercial environments like offices, receptions and retail environments.

GRIPPY CUSTOM-PRINTED FLOOR MAT

See Pages 134-135

Adhesive-backed Custom-Printed Floor Mat reduces slip, trip and fall risks while keeping your brand, marketing or even safety messaging front and centre.

GRIPPY FLOOR MAT WITH SAFETY BORDERS

See Page 136

Hi-vis, chevron-bordered mat is great for industrial applications, such as warehouses and manufacturing floors, where delineating spaces and walkways is essential.

GRIPPY FLOOR MAT STARTER PACK

PIG GRIPPY FLOOR MATS

The original adhesive-backed, high-traction mat – for coverage everywhere you need it.

- ▶ Extremely-durable and low-profile floor safety solution
- ▶ Effortless to maintain and easy to clean
- ▶ Customisable floor protection that stops dirt at the door

Our original Grippy Adhesive-Backed Floor Mats range offers a highly absorbent, extremely durable and low-profile floor safety solution that's perfect for reducing slips, trips and falls in high-traffic areas.

It traps dirt, grease, salt, mud and moisture to prevent it being tracked through your premises. And its innovative construction is effortless to maintain and easy to clean using everything from a vacuum to a commercial floor scrubber.

The exclusive adhesive sticks to most commercial floor surfaces and stays put, preventing the dangerous shifting, bunching and flipping associated with traditional rubber-backed mats.

Available in pre-cut mat lengths or continuous rolls, up to 30m long, for customisable floor protection that stops dirt at the door.

PIG GRIPPY CUSTOM-PRINTED FLOOR MATS

All the benefits of original Grippy Floor Mat plus your logo or message custom printed!

- ▶ High-definition custom printing
- ▶ Highly-absorbent, extremely durable and easy to maintain
- ▶ Lightweight, low-profile, no-budge design

We combined all the floor safety features and convenience of our original Grippy Adhesive-Backed Floor Mat with the added benefit of high-definition custom printing.

Just like the original Grippy Floor Mat, our custom-printed version offers the same highly absorbent, extremely durable and easy-to-maintain walking surface.

State-of-the-art, UV-resistant, digital printing gives you the flexibility to change your look and/or messaging every three to six months. And the smooth, flat surface produces sharper, more detailed images that won't distort over time like carpet mats do as the pile crushes.

Its lightweight, low-profile, no-budge design is the perfect solution for trapping dirt, grease, salt, mud and moisture to prevent it being tracked through your premises and reducing trip hazards to improve floor safety.

DURABILITY

Stays down for up to 6 months

Want to make installation and removal even easier? Check out our range of accessories on page 146.

Rubber-backed mats don't stay in place and can cause trip hazards.

OFFICES

PIG GRIPPY CARPETED ENTRANCE MATS

Safe floors never looked so good.

- ▶ Absorbent fibres are made from 100% post-consumer recycled polyester
- ▶ Safer no-trip walking surface that doesn't budge, curl or flip
- ▶ Commercial-grade durability that stays down for up to 6 months

Using the same adhesive backing and offering the same floor safety features as our Grippy Floor Mat range, our Carpeted Entrance Mats are a cost-effective and stylish replacement for those outdated trip-prone traditional rubber-backed entrance and scraper mats.

The absorbent fibres are made from 100% post-consumer recycled polyester and offer a highly absorbent surface that dries out quickly to prevent moisture from reaching your floors.

The mats absorb water, oil and grease, as well as trap dirt and debris to prevent them from being tracked around and becoming a slip hazard. The mat also sticks tight to most commercial floor surfaces, offering a safer no-trip walking surface that doesn't budge, curl or flip.

The attractive Berber texture of our mats adds a plush, high-end look to your premises, offering commercial-grade durability that stays down for up to six months, is easily cleaned in place and can be cut to size easily without fraying or unraveling.

DURABILITY

Stays down for up to **6 months**

WHERE IT WORKS

For entrances, walkways, aisles, front-of-house and reception areas where first impressions count, including:

SINKS

PIG GRIPPY ANTIMICROBIAL MATS

All the power of Grippy Floor Mat PLUS antibacterial and antifungal protection.

- ▶ Permanent infusion of DW-30 Ultra-Fresh antimicrobial technology
- ▶ Wicks liquids away and dries out quickly to stop them reaching your floors
- ▶ Can withstand daily mopping and scrubbing

Our Antimicrobial Floor Mats combine all the floor safety features of original Grippy Floor Mat with a permanent infusion of DW-30 Ultra-Fresh antimicrobial technology to help fight odours, mould and bacteria growth.

The polypropylene top layer, combined with the impermeable backing layers, captures water, soapy residue, sanitiser and urine on contact.

It wicks liquids away and dries out quickly to stop them reaching your floors, creating a barrier that prevents staining, grout damage and, most importantly, reduces slip and fall incidents.

The full-coverage adhesive backing sticks tight to most commercial floor surfaces and won't budge underfoot or during routine cleaning. And the durable surface can withstand daily mopping and scrubbing, as well as heavy foot traffic, maintaining a high-traction, non-slip, no-trip walking surface that won't shift, curl or bunch.

These durable, low-profile mats stay in place for up to six months without any deterioration in the antibacterial and antifungal properties, offering cleaner, safer, fresher-smelling washrooms and lavatories for longer.

For certifications details, see page 126.

DURABILITY

Stays down for up to **6 months**

WHERE IT WORKS

For sinks, hand dryers, washrooms, shower rooms and lavatories in a wide array of premises and industries, including:

- Janitorial Supplies Providers

WALKWAYS

PIG GRIPPY ABSORBENT MATS

Tough, low-profile, sticks-tight floor protection for industrial environments.

- ▶ Can withstand heavy foot traffic, pallet truck and equipment drive-overs
- ▶ No-slip, no-trip solution for cleaner and safer industrial floors

Grippy Absorbent Mats, with their layers of fine-fibre polypropylene, safely absorbs leaks, drips and overspray of oils, coolants, solvents and water around workstations, machinery, equipment and walkways in industrial environments.

With its tough spunbonded layer, heavy-duty zigzag stitching and low-profile design, our Absorbent Mats can withstand heavy foot traffic, pallet truck and equipment driveovers in challenging industrial environments without shifting, bunching up or flipping over.

The exclusive adhesive backing sticks tight on most commercial floor surfaces to provide a no-slip, no-trip solution for cleaner and safer industrial floor. Peels up easily when the time comes to replace – stays put for up to three months or until the mat is saturated or showing signs of wear.

Mats are also great for lining workbenches, countertops, toolboxes and more to prevent oily stains and grime.

Use in conjunction with our original Grippy Floor Mat and Grippy Floor Mat with Safety Borders as part of your industrial floor safety programme for cleaner and safer floors throughout your premises.

DURABILITY

Stays down for up to 3 months

WHERE IT WORKS

For spill-prone areas, workbenches, toolboxes, dispensing stations, equipment repair areas and around machines with oily overspray in a wide variety of premises and industries, including:

- ✔ Manufacturing Environments
- ✔ Warehouses & Storage Facilities
- ✔ Transportation & Logistics Hubs
- ✔ Heavy Engineering
- ✔ Work & Machine Shops
- ✔ Industrial Paint Booths

COMPATIBILITY

Suitable for hard floor surfaces including:

- ✔ Concrete
- ✔ Quarry Tile
- ✔ Vinyl Tile
- ✔ Linoleum
- ✔ Ceramic Tile

MAT MAINTENANCE

PIG GRIPPY ADHESIVE-BACKED MAT ACCESSORIES

Straight cuts, smooth placement, simple removal – tools to make an easy job even easier!

GRP001

Grippy Adhesive-Backed Mats Installation Board

Produce clean, accurate cuts with this convenient, pre-scored template and use as a float to quickly smooth out Adhesive-Backed Mat in one pass.

Helps create perfect 45° angles for fitting around obstacles or cutting awkward shapes. Two boards can be connected together to create an extra-long cutting guide for making long diagonal cuts or installing wide mats.

Installation Board		
Size	Unit	Item #
96.5cm W x 15cm D	1 each	GRP001

GRP021

Grippy Adhesive-Backed Mats Installation Roller

Ergonomic design for comfortable grip and upright operation makes installing long runs of Grippy Mat quicker, easier and less demanding on your knees and back.

Simply push along to smooth Grippy Mat into place without creating air pockets or bubbles.

Installation Roller For Grippy® Adhesive-Backed Mats		
Size	Unit	Item #
96.5cm W x 147cm L	1 each	GRP021

GRP012

Grippy Adhesive-Backed Mats Safety Cutting Knife

Make clean, professional and precise cuts when fitting Grippy Mat with the safety-first knife.

Recessed blade, with protective edges, makes quick, clean cuts, helping to eliminate injuries. Perfect tool to use in combination with pre-scored guidelines of our Installation Board (GRP001).

Safety Cutting Knife		
Description	Unit	Item #
Safety Knife	1 knife with 2 blades	GRP012
Replacement Blades	10/bag	GRP011

GRP020

Grippy Adhesive-Backed Mats Removal Tool

Tool's claw-like jaws "lock" onto the mat material to provide a firm, comfortable handgrip that won't dig into your hands when pulling up and removing Grippy Mat.

Made of durable, high-quality aluminium and features a rounded handle for easy grip.

Removal Tool For Grippy® Adhesive-Backed Mats		
Size	Unit	Item #
9cm W x 19cm L x 13cm H	1 each	GRP020

EASY TO INSTALL

Use our installation tool as a guide for straight cuts, then pick it up and use it to smooth Grippy Adhesive-Backed Mat into place. Also works for cutting corners at 45° angles to extend product life.

1. Prepare Floor

Clean, rinse and dry your floor thoroughly to remove detergent film so Mat will properly adhere.

2. Cut to Fit

Roll out Grippy Mat and cut to size using a safety knife, scissors or utility blade.

3. Stick It Down

Smooth out mat and press it into place using Installation Board, Roller or other flat edge.

4. Trim Edges and Corners

Cut angled corners during installation and trim during use to reduce potential lifting.

EASY TO MAINTAIN

Leave Grippy Mats in place and clean along with the rest of your floor for super easy, stay-in-place maintenance.

Routine Cleaning*

You can sweep, vacuum and mop to keep mat clean and fresh without shifting.

Floor Scrubbers and Extractors*

Pre-treat tougher stains by spot-cleaning before using your scrubber/extractor's low speed/water settings to clean.

Trimming Edges and Corners

If edges become worn or begin to lift, peel back mat until fresh adhesive is exposed, trim and press the new edge into place.

Handling Excess Water*

Remove excess water when your mat becomes saturated. Use a wet-vac or extractor to remove excess water and use fans/blowers to reduce drying times.

*Note: Absorbent Mats NOT suitable for mop, spot, or extractor cleaning. Neither Absorbent Mats nor Carpeted Entrance Mats are compatible with floor scrubber cleaning. Handling Excess Water instructions do NOT apply to Absorbent Mat range.

EASY TO REMOVE & REPLACE

Replacing Grippy Adhesive-Backed Floor Mats is easy – just pull them up! Our exclusive adhesive formulation won't leave any residue behind so you don't need to worry about sticky floors.

Frequency of Changeouts

Our mats are long lasting and extremely durable. When they show obvious signs of wear, or a weakened bond to the floor, they should be replaced.

Removing Mats by Hand

1. Peel up a corner of the mat using your fingers or the scraper side of the Safety Knife.
2. Bend at the knees while lifting the corner until the mat can be gripped by both hands.
3. Pull the mat up in a smooth, continuous motion, inching backwards as you go – do NOT use jerking motions to remove.

Removing Mats with our Removal Tool

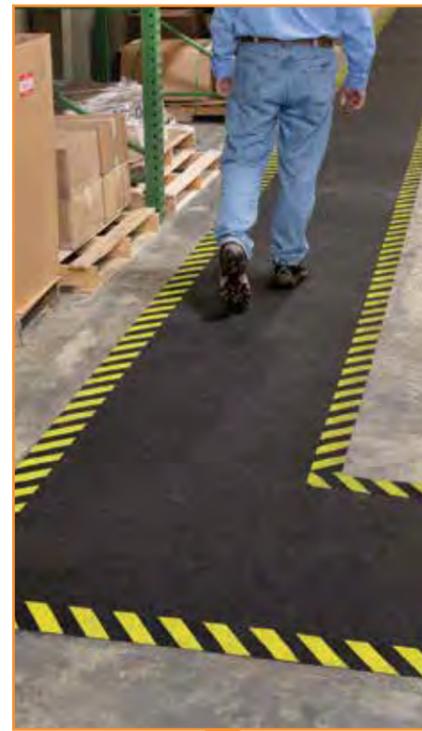

Most Grippy Mats pull up easily by hand. Our Removal Tool is helpful for removing long runs, wide sizes or mats that have been in place for extended periods of time. Simply lock the tool's jaws onto the mat material and pull.

New Pig Adhesive-Backed Mats are formulated to work with most common hard-floor surfaces. New Pig Adhesive-Backed Mats are not intended for use on wood flooring with stains, finishes, or coatings. If using the Carpet Protection versions of our adhesive-backed mats, please be sure to use only on carpeted surfaces and never on uncarpeted, hard surfaces. New Pig Adhesive-Backed Mats have non-permeable barrier layers to prevent liquid pass-through and, as such, are considered to be non-breathable and may not be suitable for use on surfaces that require air curing, including, but not limited to, newly poured concrete or recently applied coatings, sealants, and finishes. All adhesive mats have some potential to leave residue or lift or discolour finish coatings, paint, and loose or pre-damaged tiles depending on the condition and age of the floors or other surfaces. For these reasons and others, if you have questions about the suitability of New Pig Adhesive-Backed Mats for your application, test a small section of mat in a discrete or non-critical area before using on larger areas. New Pig Adhesive-Backed Mats are designed for use for up to 3-6 months depending on conditions and traffic patterns. Regardless, New Pig Adhesive-Backed Mats should be replaced immediately if they show signs of wear or damage and should always be replaced no later than 6 months after installation.

CUSTOMER ASSUMES THE RISK THAT A NEW PIG ADHESIVE-BACKED MAT MAY DAMAGE OR ALTER CUSTOMER'S EXISTING FLOORING OR FLOOR COVERING. NEW PIG PROVIDES NO WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE AND NO WARRANTY THAT THE USE OF AN ADHESIVE-BACKED MAT WILL BE ACCEPTABLE FOR USE ON CUSTOMER'S FLOORING OR ANY OTHER SURFACE. NEW PIG SHALL HAVE NO RESPONSIBILITY FOR, AND CUSTOMER HEREBY RELEASES AND DISCHARGES NEW PIG FROM, ANY DIRECT, INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES TO OR RELATED TO CUSTOMER'S FLOORS, FLOORING MATERIAL, OR ANY OTHER SURFACES IN CUSTOMER'S DWELLING OR FACILITY. CUSTOMER IS SOLELY RESPONSIBLE FOR DETERMINING THE FITNESS AND APPROPRIATENESS OF THE USE OF A NEW PIG ADHESIVE-BACKED MAT IN CUSTOMER'S DWELLING OR FACILITY.

PIG Multi-Purpose Epoxy Putty Bonds strong so repairs last.

Sticks to almost anything and cures fast. Made with the highest-quality epoxy resins to bond better and stay stronger; adheres to steel, glass, masonry and most plastics. Convenient, premeasured epoxy putty has Parts A and B in one tube; knead together and epoxy is ready to use in minutes.

PIG® Multi-Purpose Epoxy Putty
