

Brākleen VOC Free

1. General description:

In water emulsifiable brake cleaner with multiple active ingredients for effective removal of oil, greases, traffic dirt, brake fluid, transmission fluid, hardened deposits and other contaminants.

No need to disassemble parts – reducing maintenance costs.

2. Features:

- No harmful Volatile Organic Components (VOCs) as found in typical solvent cleaners.
- Free of any traditional hydrocarbon solvents.
- Readily Biodegradable ($\geq 60\%$ by OECD 301).
- Very strong degreasing performance.
- Works as efficiently as typical hydrocarbon solvents.
- 360° spray valve.
- Non flammable.
- Easily flushed away with water.
- Safe for the user.

3. Applications:

- Cleaning and degreasing of all brake and clutch parts.
Safe on all materials around the brake parts such as rubbers, plastics and sensors.
- Brake linings.
- Cylinders.
- General cleaning of mechanical parts.
- Works excellent as wheel cleaner.

4. Directions:

Spray liberally and allow to run off.

Let the product act for minimum 1 minute.

Surface may need to be wiped or agitated for removal of the toughest contaminants.

Rinse with water

Allow to dry or air dry with compressed air.

Protect and re-lubricate if necessary.

*A material safety data sheet (MSDS) compliant to the EC regulation No. 1907/2006
Art.31 and amendments is available for all CRC products*

Bräkleen VOC Free

5. Typical Product Data:

Appearance:	Semi-transparent liquid
Smell:	Weak
Specific gravity (@ 20°C):	0.95 g/cm ³
Flammability / flash point:	Non-flammable
Plastic compatibility:	Compatible with PU, HDPE, PVC, ABS and PS
Solubility in water:	Emulsifies
VOC (g/L) :	0
Surface Tension:	27.5 mN/m
Dynamic viscosity (@ 25°C):	14.6 mPa.s
Biodegradability (OECD 301):	>60% (= readily biodegradable)

6. Packaging:

Aerosol: 12x 400 ML

All statements in this publication are based on service experience and/or laboratory testing. Because of the wide variety of equipment and conditions and the unpredictable human factors involved, we recommend that our products be tested on-the-job prior to use. All information is given in good faith but without warranty neither expressed nor implied.

This Technical Data Sheet may already have been revised at this moment for reason such as legislation, availability of components and newly acquired experiences. The latest and only valid version of this Technical Data Sheet will be sent to you upon simple request or can be found on our website: www.crcind.com.
