

TRAFFIC FILM REMOVER

Reference : 10192

1. General description

Water-based cleaner for the removal of traffic film and general environmental soiling. Can be applied manually with a pressure washer or through automatic washing equipment. Safe for use on most plastics, painted surfaces and car bodies.

2. Features

- Safe on all metal surfaces, does not stain.
- Safe on most rubbers, plastics and coatings. Test on sensitive or stressed materials before use.
- Easily diluted with water.
- Will quickly remove numerous different types of soiling and contamination.
- The product has been formulated for use in a dilution with water.
- Can be used cold or hot.

3. Applications

- General purpose removal of soiling from commercial vehicles, buildings and machinery.
- Suitable for use throughout the industry.

4. Directions

- Extremely versatile, the product may be applied manually with a brush, by scrubbing, through agitation, soaking and immersion.
- Very suitable for the use in ultrasonic cleaners and other automated equipment.
